Application filed for consent to the transfer of control of the cable landing license for the Gemini-Bermuda cable system (Gemini-Bermuda Cable), SCL-LIC-20070925-00017, held by CWC New Cayman Limited (CWC New Cayman), from its 100% parent, CWC New Cayman Holdco Limited (CWC New Cayman Holdco), to Liberty Global plc (Liberty Global). The Gemini-Bermuda Cable is a non-common carrier fiber-optic cable system that connects the continental United States to Bermuda. (MFS CableCo U.S., Inc. (Verizon Business), owns and controls the Gemini-Bermuda cable landing station in Manasquan, New Jersey. The interest in Verizon Business is not affected by the transaction.)

Pursuant to the terms of a share purchase offer announced on November 16, 2015, Liberty Global proposes to acquire, through a two-step transaction, 100% of the issued and to be issued shares of stock of Cable & Wireless Communications plc (C&W). Liberty Global is a publicly-listed company incorporated under the laws of England and Wales.

In step one of the transaction, the ownership interests in the Gemini-Bermuda Cable, and other associated U.S.-regulated assets and business, held by Cable and Wireless Network Services Limited (CWNS), a wholly-owned subsidiary of C&W, were assigned, on a pro forma basis, to CWC New Cayman. See SCL-ASG-20170306-00005. In step two, indirect ownership and control of CWC New Cayman and other C&W licensee subsidiaries will be transferred from CWC New Cayman Holdco to Liberty Global. Malone, a U.S. citizen, is expected to hold the following equity and voting interests in Liberty Global: (1) an equity interest of approximately 3.5% through equity interests of approximately 3.4% to 4% in Liberty Global Group shares and approximately 0.9% to 3.3% in Liberty Latin America and Caribbean Group shares; and (2) a voting interest of approximately 22% through voting interests of approximately 23.7% to 24.1% in Liberty Global Group shares and approximately 8.2% to 10.4% in Liberty Latin America and Caribbean Group shares. Accordingly, we condition grant of this application on Verizon Business Global LLC, CWC New Cayman Limited, Columbus Networks USA, Inc. and Liberty Global plc (collectively, "Gemini Parties") abiding by the commitments and undertakings contained in the March 7, 2017, National Security Agreement between the Gemini Parties and the Department of Homeland Security (2017 NSA). A failure to comply and/or remain in compliance with any of these commitments and undertakings shall constitute a failure to meet a condition of the underlying cable landing license and thus grounds for declaring license terminated without further action on the part of the Commission. Failure to meet a condition of the license may also result in monetary sanctions or other enforcement action by the Commission. A copy of the Petition and the 2017 NSA are publicly available and may be viewed on the FCC website through the International Bureau Filing System (IBFS) by searching for SCL-T/C-20151130-00033 and accessing "Other filings related to this application" from the Document Viewing area.
