The Region 12 (Idaho) Regional Planning Committees (RPCs) will hold a joint 700 MHz and 800 MHz meeting on Wednesday, May 17, 2017, 12:00 p.m. (MDT), at the Canyon County Public Meeting Room, 111 N. 11th Ave, Caldwell, ID 83605.

The purpose of this meeting is to review and discuss the following items:

- Band 14 Incumbent Relocations
- Combining the 700 MHz and 800 RPCs
- Election of new Officers
- 800 MHz Band Plan Updates
- New Spectrum Allocations

The Region 12 joint 700 MHz and 800 MHz RPC meeting is open to the public. It is essential that public safety agencies in all areas of government, including state, municipality, county, Native American Tribal, and non-governmental organizations eligible under Section 90.523 of the Commission's rules, 47 CFR § 90.523, be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in planning for the use of public safety spectrum in the 700 MHz and 800 MHz bands within Region 12 should plan to attend. For further information, please contact:
