## REQUEST FOR COMMENT

### PETITION FOR WAIVER OF REGISTRATION AND CERTIFICATION REQUIREMENT OF CLOSED CAPTIONING RULES

CG Docket No. 05-231

**Comments Due: February 9, 2017**  
**Reply Comments Due: February 24, 2017**

This Public Notice seeks comment on a petition filed by the Alliance for Community Media (ACM) for waiver of certain Commission registration and certification requirements for video programmers that provide video programming exclusively to public, educational, and governmental access channels (PEG channels), to the extent that such channels are exempt from the provision of closed captioning under the Commission's rules.<sup>1</sup> Specifically, ACM requests waiver of the requirements for this class of video programmers to register contact information with the Commission and to certify to the Commission that their programs are exempt from the closed captioning rules.<sup>2</sup> According to ACM, PEG channels generally fall within one or more of the exemption categories, including channels or streams producing revenues of less than \$3,000,000.<sup>3</sup> As grounds for its waiver petition, ACM states that the certification rule will burden many thousands of PEG video programming providers.<sup>4</sup>

Ex Parte Rules. The proceeding this Public Notice initiates shall be treated as a "permit-but-disclose" proceeding in accordance with the Commission's *ex parte* rules.<sup>5</sup> Persons making *ex parte* presentations must file a copy of any written presentation or a memorandum summarizing any oral presentation within two business days after the presentation (unless a different deadline applicable to the Sunshine period applies). Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must (1) list all persons attending or otherwise participating in the meeting at which the *ex parte* presentation was made, and (2) summarize all data presented and arguments made during the presentation. If the presentation consisted in whole or in part of the presentation of data or
