Washington, DC 20554**

In the Matter of)
)
Rural Health Care Support Mechanism) WC Docket No. 02-60

ORDER

Adopted: June 23, 2017

Released: June 23, 2017

By the Chief, Telecommunications Access Policy Division, Wireline Competition Bureau:

1. In this Order, we waive, *sua sponte*, the invoice filing deadline under the Healthcare Connect Fund (HCF) Program for funding year 2016 for the funding request numbers (FRNs) identified in the Appendix below. Specifically, we allow the applicants and service providers associated with these FRNs to submit their funding year 2016 invoicing forms to the Universal Service Administrative Company (USAC) within six months from the issuance date of their funding commitment letters (FCLs).¹

2. *Background.* These applicants submitted FCC Form 462 applications to USAC during the second filing window period for funding year 2016 (*i.e.*, September 1, 2016-November 30, 2016) and requested partial year funding commitments with services ending between July 2016 and March 2017.² USAC only began to issue the associated FCLs on April 10, 2017, after reviewing an unprecedented number of applications.³ The Commission's rules require all HCF invoices to be received by USAC within six month of the end of the funding commitment.⁴ By the time USAC issued these FCLs, however, some of the applicants' invoicing deadlines had already passed, while others were set to expire less than six months later. Consequently, these applicants and service providers did not have sufficient time to complete and submit their invoices to USAC or were precluded altogether.

3. *Discussion.* Generally, the Commission's rules may be waived if good cause is shown.⁵ The Commission may exercise its discretion to waive a rule where the particular facts make strict compliance inconsistent with the public interest.⁶ In addition, the Commission may take into account considerations of hardship, equity, or more effective implementation of overall policy on an individual basis.⁷ Waiver of the Commission's rules is appropriate only if both (i) special circumstances warrant a deviation from the general rule, and (ii) such deviation will serve the public interest.⁸

¹ Funding year 2016 started on July 1, 2016 and ends on June 30, 2017.

² *See, e.g.*, FCC Form 462, Community Memorial Hospital (filed Sept. 8, 2016) (seeking funding from July 1, 2016 to September 6, 2016).

³ *See* USAC, Rural Health Care Program, Latest News, <http://www.usac.org/about/tools/news/default.aspx> (last visited June __, 2017).

⁴ *See* 47 CFR. § 54.645(b).

⁵ 47 CFR § 1.3.

⁶ *Northeast Cellular Telephone Co. v. FCC*, 897 F.2d 1164, 1166 (D.C. Cir. 1990) (*Northeast Cellular*).

⁷ *WAIT Radio v. FCC*, 418 F.2d 1153, 1159 (D.C. Cir. 1969); *Northeast Cellular*, 897 F.2d at 1166.

⁸ *Northeast Cellular*, 897 F.2d at 1166.

4. We waive the invoice filing deadline for the FRNs identified below for funding year 2016 to avoid an unjust result that would make compliance with program rules impossible. In light of the circumstances at issue here, we allow the applicants and service providers associated with these FRNs to submit their completed invoices to USAC within six months from the issuance date of their FCLs. We find that a waiver of the invoice filing deadline for funding year 2016 will provide these applicants and service providers with sufficient flexibility to complete and submit their invoicing forms to USAC with the necessary supporting documentation. Waiving the invoice filing deadline for the FRNs identified below is in the public interest and ensures that the impacted applicants and service providers will have adequate time to finish their own invoicing processes. By providing this waiver, we also ensure that otherwise eligible health care providers receive the funding they need to obtain the advanced telecommunications and information services, network equipment, and/or facilities necessary for the provision of health care.

5. ACCORDINGLY, IT IS ORDERED, that pursuant to the authority contained in sections 1-4, 254, and 403 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 151-154, 254, and 403, and sections 0.91, 0.291, 1.3 and 54.722(a) of the Commission's rules, 47 C.F.R. §§ 0.91, 0.291, 1.3 and 54.722(a), that this Order IS ADOPTED.

6. IT IS FURTHER ORDERED, pursuant to the authority contained in sections 1-4 and 254 of the Communications Act of 1934, as amended, 47 U.S.C. §§ 151-154 and 254, and sections 0.91, 0.291, 1.3 and 54.722(a) of the Commission's rules, 47 C.F.R. §§ 0.91, 0.291, 1.3 and 54.722(a), that section 54.645(b) of the Commission's rules, 47 C.F.R. § 54.645(b), IS WAIVED to the limited extent provided herein.

7. IT IS FURTHER ORDERED, pursuant to section 1.103(a) of the Commission's rules, 47 C.F.R. § 1.103(a), that this Order SHALL BE EFFECTIVE upon release.
