FCC ANNOUNCES NORTH AMERICAN NUMBERING COUNCIL ISSUE-SPECIFIC WORKING GROUPS MEMBERSHIP

CC Docket No. 92-237

This Public Notice serves as notice that Federal Communications Commission (FCC or Commission) Chairman Ajit Pai has appointed members to serve on three issue-specific North American Numbering Council (NANC) working groups: Call Authentication Trust Anchor Issues; Nationwide Number Portability Issues; and Toll Free Number Modernization Issues.¹ The members of these working groups are listed in Appendix A. The selection of members for the permanent standing Numbering Administration Oversight working group is in progress, and final selections for this group will be announced at a later date.

The NANC is organized under, and operates in accordance with, the provisions of the Federal Advisory Committee Act (FACA). The NANC was created to advise the Commission on numbering issues and to make recommendations that foster efficient and impartial number administration. The NANC held its first meeting on Thursday, December 7, 2017.

More information about the NANC is available at <https://www.fcc.gov/about-fcc/advisory-committees/general/north-american-numbering-council>. You may also contact Marilyn Jones, Designated Federal Officer (DFO) of the NANC, at marilyn.jones@fcc.gov, or 202-418-2357, Michelle Sclater, Alternate DFO, at michelle.sclater@fcc.gov, or 202-418-0388; or Carmell Weathers, Special Assistant to the DFO, at carmell.weathers@fcc.gov or 202-418-2325.
