All eligible public safety providers whose sole purpose or principal purpose is to protect the safety of life, health, or property in Region 8 would utilize these frequencies. It is essential that not only public safety, but all government, Native American Tribal, and non-governmental organizations eligible under Section 90.523 of the Commission's Rules be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Interested parties wishing to participate in the planning process for utilization of the public safety spectrum in the 800 MHz, 700 MHz and 4.9 GHz bands are encouraged to attend. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

For additional information concerning this meeting, please contact either the Region 8 Secretary listed below or visit the committee website at <http://www.dhSES.ny.gov/oiec/committees>.
