ORDER

Adopted: December 17, 2018  
Released: December 17, 2018

By the Chief, Enforcement Bureau:

1. The Enforcement Bureau (Bureau) of the Federal Communications Commission (Commission or FCC) has entered into a Consent Decree to resolve its investigation into whether Sound Ideas, LLC (Licensee), the licensee of radio station WYDK(FM), Eufaula, Alabama, Facility Identification Number 15939 (Station), prematurely ended a contest it conducted in 2016 (Contest) and failed to award the advertised prizes, and instead kept them for its own employee. The Licensee’s response to our investigation raised concerns that the Licensee not only conducted its Contest in contravention of the Commission’s rules concerning broadcast contests, but that it had also improperly transferred de facto control of the Station to a third party without Commission authorization, in violation of the Commission’s Unauthorized Transfer rules. These rules protect the public from deceptive contests and ensure that only Commission-licensed operators control broadcast stations. To settle this matter, Licensee admits that it violated the Contest and Unauthorized Transfer rules, will implement a compliance plan, and will pay a $12,000 civil penalty.

2. After reviewing the terms of the Consent Decree and evaluating the facts before us, we find that the public interest will be served by adopting the Consent Decree and terminating the investigation regarding Licensee’s compliance with Section 508 of the Communications Act of 1934, as amended (Act),¹ and Section 73.1216 of the Commission’s rules (Rules),² collectively “Contest Laws,” and Section 310(d) of the Act³ and Section 73.3540 of the Rules,⁴ collectively “Transfer Laws.”

3. In the absence of material new evidence relating to this matter, we conclude that our investigation raises no substantial or material questions of fact as to whether Licensee possesses the basic qualifications, including those related to character, to hold or obtain any Commission license or authorization.

² 47 CFR § 73.1216.
⁴ 47 CFR § 73.3540.
4. Accordingly, **IT IS ORDERED** that, pursuant to Sections 4(i) and 4(j) of the Act, and Sections 0.111 and 0.311 of the Rules, the Consent Decree attached to this Order **IS ADOPTED**.

5. **IT IS FURTHER ORDERED** that the above-captioned investigation **IS TERMINATED**.

6. **IT IS FURTHER ORDERED** that any third-party complaints and allegations against the Licensee or the Station related to the above-captioned investigation that are currently pending before the Bureau as of the date of this Consent Decree **ARE DISMISSED**.

7. **IT IS FURTHER ORDERED** that a copy of this Order and Consent Decree shall be sent by both First Class U.S. Mail and Certified Mail to John C. Trent, Esq., Putbrese Hunsaker & Trent, P.C., 200 South Church Street, Woodstock, VA 22664.

   (a) “Act” means the Communications Act of 1934, as amended, 47 U.S.C. § 151 et seq.
   (b) “Adopting Order” means the Order of the Bureau adopting the terms of this Consent
       Decree without addition, change, deletion, or modification.
   (c) “Bureau” means the Enforcement Bureau of the Commission.
   (d) “Commission” or “FCC” means the Federal Communications Commission and all of
       its bureaus and offices.
   (e) “Communications Laws” means, collectively, the Act, the Rules, and the published
       and promulgated orders and decisions of the Commission to which the Licensee
       is subject by virtue of being a Commission licensee.
   (f) “Complaint” means the third-party complaint submitted to the Bureau alleging that
       Licensee violated the Contest Laws.
   (g) “Contest” means the 2016 contest described in the Complaint.

1 The Licensee also operates station WULA(AM), Eufaula, Alabama, Facility Identification Number 36308.
3 47 CFR § 73.1216.
5 47 CFR § 73.3540.
II. BACKGROUND

3. Section 508 of the Act prohibits a licensee from knowingly deceiving the public by engaging “in any artifice or scheme for the purpose of prearranging or predetermining in whole or in part the outcome of a purportedly bona fide contest . . . [of] chance.”12 Section 73.1216(a) of the Rules requires licensees “that broadcast[] or advertise[] information about a contest [they] conduct[ . . . fully and accurately] to disclose the material terms of the contest and . . . conduct the contest substantially as announced or advertised.”13 These provisions protect the public from deceptive or misleading practices in the conduct of radio contests.

4. Section 310(d) of the Act prohibits the transfer of control of a broadcast station license, and any rights thereunder, without prior Commission consent.14 Section 73.3540 of the Rules implements

9 Letter from Guy Benson, Attorney Advisor, Investigations and Hearings Division, FCC Enforcement Bureau, to Sound Ideas, LLC (June 27, 2017) (on file in EB-IHD-17-00023521).
11 47 CFR § 73.3540.
13 47 CFR § 73.1216(a).
To determine whether there has been an unauthorized *de facto* transfer of control, the Commission examines the policies governing the station’s programming, personnel, and finances to assess whether the licensee retains ultimate control over these aspects of station operation. A licensee may delegate day-to-day station operations as long as the licensee remains responsible for essential station matters and for setting the policies concerning programming, personnel, and finances. These provisions ensure that only those Commission-approved licensees are responsible for operating broadcast stations.

5. The Complaint alleges that the Licensee prematurely ended a contest it conducted in 2016 and failed to award the advertised prizes, and instead kept them for its own employee.

6. On June 26, 2017, the Bureau issued a letter of inquiry (LOI) to the Licensee regarding the issues raised in the Complaint. In its response, the Licensee claimed to have no knowledge about the Contest and claimed to be unable to locate records about the Contest; this professed lack of knowledge about Station operations raised questions about the Licensee’s control over the Station.

7. On July 16, 2018, the Bureau issued a supplemental LOI to the Licensee to investigate the apparent unauthorized *de facto* of control of the Station from the Licensee to Daystar. In response, the Licensee admitted it violated the Contest Laws and the Transfer Laws. To resolve the Bureau’s investigation, the Parties now enter this Consent Decree.

III. TERMS OF AGREEMENT

8. **Adopting Order.** The provisions of this Consent Decree shall be incorporated by the Bureau in the Adopting Order without change, addition, deletion or modification.

9. **Jurisdiction.** The Licensee agrees that the Bureau has jurisdiction over it and the matters contained in this Consent Decree and has the authority to enter into and adopt this Consent Decree.

10. **Effective Date; Violations.** The Parties agree that this Consent Decree shall become effective on the Effective Date. As of the Effective Date, the Adopting Order and this Consent Decree shall have the same force and effect as any other order of the Commission.

11. **Termination of Investigation.** In express reliance on the covenants and representations in this Consent Decree and to avoid further expenditure of public resources, the Bureau agrees to terminate the Investigation. In consideration for the termination of the Investigation, the Licensee agrees to the terms, conditions, and procedures contained herein. The Bureau further agrees that in the absence of new material evidence, the Bureau will not use the facts developed in this Investigation through the Effective Date, or the existence of this Consent Decree, to institute on its own motion any new proceeding, formal or informal, or take any action on its own motion against the Licensee concerning the matters that were the subject of the Investigation. The Bureau also agrees that in the absence of new material evidence it will not use the facts developed in the Investigation through the Effective Date, or the existence of this Consent Decree, to institute on its own motion any proceeding, formal or informal, or to
