**ORDER TO PAY OR TO SHOW CAUSE**

**Adopted: November 30, 2018**

**Released: November 30, 2018**

By the Chief, Media Bureau and the Managing Director, Office of Managing Director:

**I. INTRODUCTION**

1. By this Order to Pay or to Show Cause, we initiate a proceeding to revoke the license held by Deane Brothers Broadcasting Corp. (DBB) for WJDF(FM), Orange, Massachusetts, for failure to pay delinquent regulatory fees owed to the Commission. For the reasons set forth below, we direct DBB to pay the overdue regulatory fees, including any associated penalties and charges of collection, or show cause why the payment demanded is inapplicable or should otherwise be waived or deferred.

**II. DISCUSSION**

2. Under Section 9 of the Communications Act of 1934, as amended (Act), and the Commission's rules (Rules), the Commission is required to "assess and collect regulatory fees" to recover the costs of certain regulatory activities.<sup>1</sup> When the required payment is received late or is incomplete, the Commission must assess a penalty equal to "25 percent of the amount of the fee that was not paid in a timely manner."<sup>2</sup> For fiscal year (FY) 2014, the deadline for paying regulatory fees was September 23, 2014;<sup>3</sup> for FY 2015, it was September 24, 2015;<sup>4</sup> for FY 2016, it was September 27, 2016;<sup>5</sup> for FY 2017, it was September 26, 2017;<sup>6</sup> and for FY 2018, it was September 25, 2018.<sup>7</sup> When DBB failed to pay its regulatory fees by these deadlines, the Commission assessed charges that included the statutory late

payment penalty required by the Act<sup>8</sup> and Sections 1.1157(c)(1) and 1.1164 of the Rules,<sup>9</sup> and interest, penalties, and administrative costs required by Section 3717 of Title 31 of the U.S. Code and Section 1.1940 of the Rules.<sup>10</sup>

3. As of the date of this Order, DBB has unpaid regulatory fee debt (including penalties, accrued interest and other charges) of \$1,946.50 for FY 2014, \$1,921.17 for FY 2015, \$2,063.20 for FY 2016, \$1,898.36 for FY 2017 and \$1,812.50 for FY 2018. Additional charges will continue to accrue on these debts until they are paid in full. Demand Letters, which demanded payment of DBB's delinquent regulatory fees, were previously sent to DBB.<sup>11</sup> When DBB did not respond to the Commission's demand that DBB pay the FY 2014, FY 2015, FY2016 and FY 2017 regulatory fee debt, the Commission transferred that debt to the Secretary of the Treasury at the Treasury Department for collection.<sup>12</sup> At the Commission's request, and in order to consolidate the collection process, the Secretary of the Treasury has returned all of the previously transferred debt to the Commission for further collection.

4. In addition to financial penalties, Section 9A(c)(4) of the Act,<sup>13</sup> and Section 1.1164(f) of the Rules<sup>14</sup> grant the Commission the authority to revoke authorizations for failure to pay regulatory fees (or related interest and penalties) in a timely fashion. Accordingly, we require DBB to file with the Media Bureau documented evidence within sixty (60) calendar days of the date of this Order that full payment of all outstanding regulatory fee debt has been made in accordance with Section 1.1164(a) of the Rules,<sup>15</sup> or show cause why the payment is inapplicable or should be waived or deferred. DBB is hereby notified that failure to provide such evidence of payment or to show cause within the time specified may result in revocation of DBB's above-captioned license for WJDF(FM).

5. Under Section 9A(c)(4)(C) of the Act and Section 1.1164(f) of the Rules,<sup>16</sup> an adjudicatory hearing will not be designated unless DBB presents a substantial and material question of fact. Further, disposition of any adjudicatory hearing will be based upon written evidence only, and DBB will bear the burden to introduce evidence and to provide proof in any such hearing.<sup>17</sup>

6. To the extent that DBB is a respondent in other administrative proceedings, both before this agency and other federal agencies, action in this proceeding is without prejudice to action in those proceedings. Further, the existence of any such proceedings and matters raised therein are not considered in this proceeding.
