Enforcement Bureau's Office of the Field Director Establishes New Electronic Mail Address for Responses to Enforcement Actions Originating from Field Offices

To streamline the operation of the Enforcement Bureau's Field Offices, effective immediately, the Bureau's Office of the Field Director has established a new email address, field@fcc.gov, for the public to use when responding to an enforcement action originating from one of the Bureau's Field Offices. Beginning today, new enforcement actions will instruct recipients to send responses to field@fcc.gov rather than to email addresses that are associated with the Bureau's three Regions.

For purposes of this Public Notice, an "enforcement action" is any Commission or Bureau action identified by a case number beginning with "EB-FIELD."

For further information, please contact field@fcc.gov.

By the Field Director, Enforcement Bureau.
