**MEMORANDUM OPINION AND ORDER AND
NOTICE OF APPARENT LIABILITY FOR FORFEITURE**

Adopted: January 10, 2018

Released: January 10, 2018

By the Chief, Audio Division, Media Bureau:

I. INTRODUCTION

1. The Media Bureau (Bureau) has before it the captioned application of Chisholm Trail Communications, LLC (Licensee), for renewal of the license for Station KOCE-FM, Meridian, Texas (Station). In this *Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture (NAL)*,¹ we find that the Licensee apparently willfully violated Section 73.3539 of the Commission's rules (Rules)² by failing to file a timely license renewal application for the Station, and apparently willfully and repeatedly violated Section 301 of the Communications Act of 1934, as amended (Act),³ by continuing Station operations after its license had expired. Based upon our review of the facts and circumstances before us, we conclude that Licensee is apparently liable for a monetary forfeiture in the amount of seven thousand dollars (\$7,000).

II. BACKGROUND

2. Section 73.3539(a) of the Rules requires that applications for renewal of license for broadcast stations must be filed "not later than the first day of the fourth full calendar month prior to the expiration date of the license sought to be renewed."⁴ An application for renewal of the Station's license should have been filed by November 5, 2015, four months prior to the Station's March 5, 2016, license expiration date,⁵ but was not. No such application was filed until April 7, 2016. At that time, the

¹ This *NAL* is issued pursuant to Sections 309(k) and 503(b) of the Communications Act of 1934, as amended (Act), and Section 1.80 of the Commission's Rules (Rules). *See* 47 U.S.C. §§ 309(k), 503(b); 47 CFR § 1.80. The Bureau has delegated authority to issue the *NAL* under Section 0.283 of the Rules. *See* 47 CFR § 0.283.

⁵ During the previous round of radio station renewal filings and while the Station was licensed to a different entity, we renewed the Station's license for a term of two years instead of a full term of eight years. *See Broadcast Actions, Public Notice, Report No. 48192 (Mar. 10, 2014); LKCM Radio Group, LP, Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture, 29 FCC Rcd 1045 (MB 2014)*. As a result, the Station faced an earlier deadline for filing its renewal application than other stations licensed to communities in Texas.

Licensee filed the subject application and a request for Special Temporary Authority (STA Request), seeking authority to remain on the air while the Application was pending.⁶ In both submissions, the Licensee indicated that it had acquired the Station on April 14, 2015, and “had absolutely no idea there was [] a two year renewal term.” Staff granted the STA Request on April 11, 2016, indicating that the authorization would expire “(1) 180 days from the date of [the] letter; or (2) upon action of the pending [Application], whichever is sooner” and that grant of the STA was “without prejudice to whatever action, if any, the staff deems appropriate in light of the failure to file a timely license renewal application for [the Station].”⁷

III. DISCUSSION

3. *Proposed Forfeiture.* In this case, the Licensee failed to file a timely license renewal application for the Station, as required by Section 73.3539(a) of the Rules. Moreover, the Licensee continued Station operations for more than a month after its license had expired on March 5, 2016, in violation of Section 301 of the Act.

4. This NAL is issued pursuant to Section 503(b)(1)(B) of the Act. Under that provision, a person who is found to have willfully or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.⁸ Section 312(f)(1) of the Act defines willful as “the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate” the law.⁹ The legislative history to Section 312(f)(1) of the Act clarifies that this definition of willful applies to both Sections 312 and 503(b) of the Act,¹⁰ and the Commission has so interpreted the term in the Section 503(b) context.¹¹

5. The Commission's *Forfeiture Policy Statement* and Section 1.80(b)(4) of the Rules establish a base forfeiture amount of \$3,000 for the failure to file a required form.¹² The guidelines also specify a base forfeiture amount of \$10,000 for construction and/or operation without an instrument of authorization for the service.¹³ In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in Section 503(b)(2)(D) of the Act, including “the nature, circumstances, extent and gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.”¹⁴

6. In this case, the Licensee failed to file a timely renewal application for the Station and continued Station operations for more than a month before filing the appropriate renewal application and STA request. Nevertheless, because it had previously been licensed to operate the Station, the latter

transgression is not comparable to “pirate” wireless operations, which typically have been subject to forfeitures of \$10,000 or higher. Taking into consideration all of the factors required by Section 503(b)(2)(D) of the Act and the *Forfeiture Policy Statement*, we propose a forfeiture for the full \$3,000 amount for the failure to file a timely renewal application but reduce the proposed forfeiture for the unauthorized operation from the \$10,000 base amount to \$4,000. Thus, we propose a forfeiture in the amount of seven thousand dollars (\$7,000).

7. *License Renewal Application.* In evaluating an application for license renewal, the Commission’s decision is governed by Section 309(k) of the Act.¹⁵ That section provides that if, upon consideration of the application and pleadings, we find that: (1) the station has served the public interest, convenience, and necessity; (2) there have been no serious violations of the Act or the Rules; and (3) there have been no other violations which, taken together, constitute a pattern of abuse, we are to grant the renewal application.¹⁶ If, however, the licensee fails to meet that standard, the Commission may deny the application – after notice and opportunity for a hearing under Section 309(e) of the Act – or grant the application “on terms and conditions that are appropriate, including a renewal for a term less than the maximum otherwise permitted.”¹⁷

8. We find that the Licensee’s apparent violations of Section 73.3539 of the Rules and Section 301 of the Act do not constitute “serious violations” warranting designation for evidentiary hearing. Moreover, we find no evidence of violations that, when considered together, constitute a pattern of abuse.¹⁸ Further, based on our review of the license renewal application, we find that the Station served the public interest, convenience, and necessity during the subject license term. We will therefore grant the license renewal application by separate action upon the conclusion of this forfeiture proceeding if there are no issues other than the apparent violation that would preclude grant of the application.

IV. ORDERING CLAUSES

9. Accordingly, IT IS ORDERED, pursuant to Section 503(b) of the Communications Act of 1934, as amended, and Section 1.80 of the Commission’s Rules, that Chisholm Trail Communications, LLC, is hereby NOTIFIED of its APPARENT LIABILITY FOR FORFEITURE in the amount of seven thousand dollars (\$7,000) for its apparent willful violation of Section 73.3539 of the Commission’s Rules and apparent willful and repeated violation of Section 301 of the Communications Act of 1934, as amended.

10. IT IS FURTHER ORDERED, pursuant to Section 1.80 of the Commission’s Rules, that, within thirty (30) days of the release date of this *NAL*, Chisholm Trail Communications, LLC, SHALL PAY the full amount of the proposed forfeiture or SHALL FILE a written statement seeking reduction or cancellation of the proposed forfeiture.

¹⁸ For example, we do not find here that the Licensee's Station operation "was conducted in an exceedingly careless, inept and negligent manner and that the licensee is either incapable of correcting or unwilling to correct the operating deficiencies." *See Heart of the Black Hills Stations*, Decision, 32 FCC 2d 196, 198, para. 6 (1971). Nor do we find on the record here that "the number, nature and extent" of the violations indicate that "the licensee cannot be relied upon to operate [the station] in the future in accordance with the requirements of its licenses and the Commission's Rules." *Id.* at 200, para. 11. *See also Center for Study and Application of Black Econ.
