**PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ANNOUNCES
REGION 39 (TENNESSEE) REGIONAL PLANNING COMMITTEES
TO HOLD 700 MHZ AND 800 MHZ MEETINGS**

PR Docket 93-58 and WT Docket 02-378

The Region 39 (Tennessee) 700 MHz and 800 MHz Regional Planning Committees (RPCs) will hold a special meeting on Wednesday, May 23, 2018. Beginning at 10:00 a.m., the RPCs will convene at the Tennessee Emergency Management Agency Headquarters, Suiter Training Room, 3041 Sidco Drive, Nashville, Tennessee 37204.

The agenda for the meeting includes:

- Welcome and Introductions (Jesse Griggs)
- 4.9 GHz Rule Changes (John Moyers)
- Proposed Changes to 800 MHz Plan for Region 39 (Jesse Griggs)
- Adjourn

Both Region 39 RPC meetings are open to the public. All eligible public safety providers in Region 39 may utilize these frequencies. It is essential that eligible public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs. All interested parties wishing to participate in the planning for the use of public safety spectrum in the 700 MHz and 800 MHz bands within Region 39 should plan to attend. For further information, please contact:

Jesse Griggs, Chair, Region 39 700 MHz and 800 MHz RPCs
