TECHNICAL GUIDES ON PROPOSED BIDDING PROCEDURES FOR AUCTION 102 (24 GHz)

AU Docket No. 18-85

The Wireless Telecommunications Bureau (Bureau) today makes available guides that provide technical and mathematical detail regarding the proposed bidding and assignment procedures for Auction 102 (24 GHz). These guides provide examples and serve as supplements to the bidding and bid processing procedures for the clock and assignment phases as proposed by the Commission in the *Auctions 101 and 102 Comment Public Notice*.¹ The guides, which are entitled *Auction 102 Clock Phase Technical Guide* and *Auction 102 Assignment Phase Technical Guide*, respectively, are available on the Commission's Auction 101 and 102 website (www.fcc.gov/auction/101-102), where they will remain available and accessible for reference. Technical and mathematical detail regarding the procedures for Auction 101 (28 GHz) is contained in Attachment B to the *Auctions 101 and 102 Comment Public Notice*.²

For further information concerning the technical guides, email auction101-102@fcc.gov or contact the FCC Auctions Hotline at (717) 338-2868. For further information concerning this proceeding, contact the offices listed below:
