Re: Modification of Post-Auction
Transition Phase Assignment
KTXL(TV), Sacramento, California
Facility ID No. 10205

Dear Licensee,

This letter is to inform you that the Media Bureau is modifying the transition phase assignment for full power television station KTXL(TV), Sacramento, California (KTXL), from Phase 8 to Phase 9. This action is consistent with the verbal consent provided to Video Division staff by legal counsel for KTXL, LLC. By consenting to this Commission initiated phase change, all repacked broadcast television stations in the Sacramento-Stockton-Modesto, California, Designated Market Area will now be assigned to Phase 9. We appreciate your assistance in helping to make the post-incentive auction transition process more streamlined for viewers.

Accordingly, the transition phase assignment for KTXL is **MODIFIED from Phase 8 to Phase 9**. KTXL **may not commence** testing on its post-auction channel **until 12:01 a.m. on March 14, 2020**, and **must cease operation** on its pre-auction channel **by 11:59 p.m. on May 1, 2020**.

Sincerely,

Barbara A. Kreisman
Chief, Video Division
Media Bureau
