Specifically, for each bidder, the columns in Attachment B provide the following information under each respective header, sorted by bidder name:

A copy of this Public Notice will be sent to each qualified bidder via overnight delivery to the contact person at the contact address listed in each qualified bidder's short-form application (FCC Form 175).

III. POST-AUCTION PROCEDURES

A. Down Payments

5. The Commission's rules require that within 10 business days after the release of this Public Notice, in this case by **6:00 p.m. Eastern Time (ET) on July 16, 2018**, each winning bidder in Auction 83 must have on deposit with the Commission enough funds to cover the down payment on its winning bid(s).³ Specifically, each winning bidder's total amount on deposit must be 20 percent of the aggregate net amount of its winning bid(s). Each winning bidder whose upfront payment is not sufficient to meet this requirement must deposit additional funds to meet its required down payment.⁴

6. The amount due from each winning bidder, if any, is set out in the "Additional Amount Due after Upfront Payment Balance Applied Due by July 16, 2018" column of Attachment B. Note that an additional payment toward the down payment due is necessary only if a winning bidder's upfront payment does not cover the required total down payment (as reflected in Attachment B).

7. Wire transfers for down payments must be received by the Commission by **6:00 p.m. ET on July 16, 2018**. If a winning bidder fails to complete this down payment process, consistent with the payment method described in this Public Notice, by 6:00 p.m. ET on July 16, 2018, it will be in default.⁵

B. Final Payments

8. Each winning bidder in Auction 83 will be required to submit the balance of the net amount of its winning bid(s) as set out in the "Final Balance Due By July 30, 2018 or (Refund)" column

² For a non-winning bidder, this Final Balance amount, which is equal to its Upfront Payment Amount, is shown in parentheses and is available for refund. For a winning bidder, this amount may equal the Final Payment Amount. However, if the Upfront Payment Amount exceeds the Down Payment Amount, that excess will reduce the Final Balance.

³ 47 CFR § 1.2107(b).

⁵ See Section III.D., "Default and Disqualification Payments," below.

of Attachment B.⁶ Each winning bidder must pay the full amount of the Final Balance Due shown in Attachment B by **6:00 p.m. ET on July 30, 2018** (or by 6:00 p.m. ET on August 13, 2018, along with the five percent late fee required by section 1.2109(a) of the Commission's rules).⁷ Note that an additional payment toward the final payment due is necessary only if a winning bidder's upfront payment does not cover the required total down payment and final payment (as reflected in Attachment B).

9. Full and timely payment of winning bids and any applicable late fees must be made in accordance with section 1.2109(a) of the Commission's rules and must occur before action will be taken upon the winning bidder's long-form application (FCC Form 349).⁸ Specifically, construction permits will be granted only after the full and timely payment of winning bids and any applicable late fees, in accordance with section 1.2109(a).⁹

10. Wire transfers of final payments must be received by the Commission by **6:00 p.m. ET on July 30, 2018** (or by 6:00 p.m. ET on August 13, 2018, along with the five percent late fee required by section 1.2109(a) of the Commission's rules).¹⁰ If a winning bidder fails to complete submission of the final payment consistent with the payment method described in this Public Notice by 6:00 p.m. ET on July 30, 2018 (or by 6:00 p.m. ET on August 13, 2018, along with the five percent late fee), it will be in default.¹¹

C. Method of Payment for Down and Final Payments

11. All payments must be in U.S. dollars and made in the form of a wire transfer. No checks, credit card payments, automated clearing house (ACH), or other forms of payment will be accepted.

12. Each winning bidder is responsible for ensuring timely submission of its payment. Each winning bidder should coordinate with its financial institution well ahead of the due date regarding its wire transfer and should allow sufficient time for each wire transfer to be initiated and completed prior to the deadline. The Commission repeatedly has cautioned auction participants about the importance of planning ahead to prepare for unforeseen last-day difficulties in making payments by wire transfer.¹² A winning bidder should obtain confirmation from its financial institution that its wire transfer to the U.S. Treasury was successful. It should also confirm with Commission staff that its payment has been received by the Commission in the proper account by the specified deadline. Such confirmation may be obtained by contacting Gail Glasser of the Office of Managing Director's FCC Revenue & Receivables Operations Group/Auctions at (202) 418-0578, or alternatively, Theresa Meeks at (202) 418-2945. Office of Managing Director (OMD) staff may also be reached through the FCC Auctions Hotline at (888) 225-5322, option two; or (717) 338-2868.

This Form 159 is solely for your records. It is **not** necessary for you to fax or email a copy of Form 159 to the FCC or the U.S. Treasury. Please direct questions concerning the calculation and submission of down payments, final payments, or refunds to Gail Glasser at (202) 418-0578 or Theresa Meeks at (202) 418-2945. D. Default and Disqualification Payments

15. The Commission imposes payment obligations on bidders that, after an auction closes, default on payments due or are disqualified.¹⁴

E. Bid Default/Disqualification Payments from Auction 83

16. If a winning bidder defaults or is disqualified after the close of bidding in the auction (i.e., fails to remit the required down payment by the specified deadline, fails to submit a timely long-form application, fails to make full payment of the balance of its winning bid(s) by the specified deadline, or is otherwise disqualified for any reason), then the defaulting bidder will be subject to the payment obligations described in section 1.2104(g)(2).¹⁵ These payment obligations include both a deficiency payment, equal to the difference between the amount of the defaulter's bid and the amount of the winning bid the next time a permit or license covering the same spectrum is won in an auction, plus an additional

¹³ Form 159 will continue to be used in future auctions for upfront payments only.

¹⁴ 47 CFR §§ 1.2104(g)(2), 1.2109.

¹⁵ *Id.*

payment equal to a percentage of the defaulter's bid or the subsequent winning bid, whichever is less.¹⁶ The additional default payment for Auction 83 permits was set at 20 percent of the applicable bid.¹⁷

17. If a winning bidder fails to remit the required down payment by the down payment deadline specified in this Public Notice, in this case by July 16, 2018, then the bidder will be deemed to have defaulted, its long-form application will be dismissed, and it will be liable for a default payment as described above.¹⁸

18. If a winning bidder fails to pay the balance of its winning bid in a lump sum by the deadline specified in this Public Notice, then it will be allowed to make a late payment within 10 business days after the payment deadline, provided that it also pays a late fee equal to five percent of the amount due.¹⁹ If a winning bidder fails to pay (a) the balance of its winning bid by the payment deadline on July 30, 2018, or (b) the balance of its winning bid plus the late fee by the late payment deadline on August 13, 2018, then it will be deemed to have defaulted, and it will be subject to applicable default payments.²⁰

19. The Commission will review an applicant's long-form application only after receipt of full and timely payment of the winning bid amount and any applicable late fees. The relevant construction permit will be granted after determination that the long-form application meets the Commission's requirements for grant.²¹

20. A bidder that is found to have violated the antitrust laws or the Commission's rules in connection with its participation in the competitive bidding process may be subject, in addition to any other applicable sanctions, to forfeiture of its upfront payment, down payment, or full bid amount, and may be prohibited from participating in future auctions.²²

F. Refund of Excess Payments

21. All refunds of applicant upfront payment balances will be returned to the payer of record as identified on the upfront payment wire transfer, unless that payer submits written authorization instructing otherwise. To receive a refund, an applicant must submit a written refund request and provide wire transfer instructions. Each applicant can provide this information by using the FCC auction application system to file its refund information electronically using the **Refund Form** icon found on the *Auction Application Manager* page by **July 30, 2018**. After the required information is completed on the blank form, the form should be printed, signed, and submitted to the Commission by mail or fax as instructed below.

22. After July 30, 2018 or if you have elected not to access the Refund Form through the Auction Application Manager page, the Commission requests that all information listed below be supplied in writing.

G. FCC Form 349

26. Prior to **midnight ET on August 8, 2018**, each winning bidder must submit electronically a properly completed long-form application (FCC Form 349, Application for Authority to Construct or Make Changes in an FM Translator or FM Booster Station), including all required exhibits, for each construction permit for which it was the winning bidder in Auction 83.²³ **The FCC Form 349 filing window will open on July 9, 2018, and close at midnight ET on August 8, 2018.**

27. An applicant that fails to submit the required long-form application before the specified deadline and fails to establish good cause for any late-filed submission shall be deemed to have defaulted and shall be subject to the payments set forth in section 1.2104(g) of the Commission's rules.²⁴ Each Auction 83 winning bidder must file an accurate and complete long-form application (FCC Form 349) for each construction permit for which it was the winning bidder in Auction 83. The long-form application must be filed electronically through the Media Bureau's Consolidated Database System (CDBS) online electronic filing system.²⁵ In accordance with the Commission's rules, electronic filing of the FCC Form

The Commission delegated authority to the Wireless Telecommunications and Media Bureaus, on an auction-by-auction basis, to extend past thirty days the filing deadline for the submission of post-auction long-form applications. See *Policies to Promote Rural Radio Service and to Streamline Allotment and Assignment Procedures*, First Report and Order and Further Notice of Proposed Rule Making, 25 FCC Rcd 1583, 1607-08, paras. 47-48 (2010).

349 must be accompanied by the appropriate application filing fee.²⁶ If information submitted on the new FCC Form 349 application by the winning bidder indicates that the applicant has effected a major change relative to information reported on the applicant's short-form application (FCC Form 175), then the long-form application will be dismissed and the applicant will be in default.²⁷

28. For instructions and technical requirements for using the Media Bureau's electronic filing system, go to the electronic filing web site at https://licensing.fcc.gov/prod/cdbs/forms/prod/cdbs_ef.htm. 29. Commission staff will return applications not submitted in accordance with the procedures described in this Public Notice. Applicants are encouraged to pay the FCC Form 349 application filing fee electronically using the CDBS filing system in order to avoid processing delays.

H. Additional Post-Auction Filing Requirements

30. To file a complete FCC Form 349 application, each Auction 83 winning bidder must submit the post-auction exhibits required by section 73.5005(a) of the Commission's rules. Specifically, section 73.5005(a)²⁹ requires that post-auction long-form applications include the exhibits mandated by section 1.2107(d) (providing a detailed explanation of the terms, conditions, and parties involved in any bidding consortium, joint venture, partnership, or other agreement or arrangement the applicant had entered into relating to the competitive bidding process),³⁰ and section 1.2112(a) (requiring that each long-form application fully disclose ownership information and the real party or parties in interest in the applicant or application),³¹ and section 1.2110(j) (requiring an applicant claiming bidding credit eligibility to describe how it satisfies the eligibility requirements for such bidding credit, and to list and summarize all agreements that affect such status, such as partnership agreements, shareholder agreements, management agreements, resale arrangements, and any other agreements, including oral agreements, that establish that the auction applicant will have both *de facto* and *de jure* control of the entity).³² Specifically, an Auction 83 winning bidder applicant claiming new entrant bidding credit eligibility must

provide information establishing its eligibility in its long-form application exhibit,³³ including a description of its other mass media facilities, if any. Generally, media interests will be attributable for purposes of the new entrant bidding credit to the same extent that such other media interests are considered attributable for purposes of the broadcast multiple ownership rules.³⁴

31. The Commission's "red light rule" that implements the Debt Collection Improvement Act will be enforced.³⁵ Under the red light rule, the Commission will not process applications or other requests for benefits filed by parties that have outstanding debts owed to the Commission.³⁶

I. Maintaining Accuracy of Information

32. After an auction closes, all required changes to an applicant's information must be made by filing or amending the applicant's long-form application(s) (FCC Form 349). With the release of this Public Notice, applicants are no longer required to maintain the accuracy and completeness of information furnished on their short-form applications (FCC Form 175) and exhibits.³⁷

J. Application Processing, Petitions to Deny, and Construction Permit Grant

33. After its initial review of the long-form applications, the Media Bureau will issue CDBS-generated public notices listing the applications as they are accepted for filing. A public notice entitled "Broadcast Applications" will list such applications as "Accepted for Filing." Pursuant to sections 1.2108(b) and 73.5006(b) of the Commission's rules,³⁸ interested parties will have 15 days from release of that public notice to file petitions to deny the application.³⁹ An applicant may file an opposition to any petition to deny within 15 days after the filing deadline for petitions to deny its long-form application.⁴⁰ Replies must be filed within 10 days after the filing deadline for oppositions to a petition to deny a long-form application.⁴¹ The Commission reminds all parties and their counsel that the Commission intends to use its authority fully to deter the filing of frivolous pleadings.⁴²

34. After the long-form application review process, if the Commission determines that additional payment from an applicant is due, the Media Bureau will provide further instructions in a

future public notice or by demand letter.⁴³ If the Commission determines that an applicant is otherwise qualified, that there are no substantial and material issues of fact regarding the applicant's qualifications to be a Commission licensee, and that no additional payments are due, the Commission will grant the construction permit.⁴⁴

IV. OTHER IMPORTANT INFORMATION

A. Maintaining Prohibition on Certain Communications

35. Section 1.2105(c)(1) of the Commission's rules provides that, subject to specified exceptions, after the deadline for filing a short-form application, "all applicants are prohibited from cooperating or collaborating with respect to, communicating with or disclosing, to each other . . . in any manner the substance of their own, or each other's, or any other applicants' bids or bidding strategies (including post-auction market structure), or discussing or negotiating settlement agreements, until after the down payment deadline[.]"⁴⁵ As explained more fully in the *Auction 83 Procedures Public Notice*, this prohibition began at the short-form application filing deadline at 6:00 p.m. ET on March 17, 2003, and continues until the down payment deadline, which is **6:00 p.m. ET on July 16, 2018**.⁴⁶

36. The prohibition on certain communications applies to all applicants in Auction 83, regardless of whether an applicant became a qualified bidder or actually participated in the bidding.⁴⁷ Each applicant in this auction certified its compliance with section 1.2105(c) when it filed its short-form application.⁴⁸

B. Return of SecurID® Tokens

37. The SecurID® tokens distributed to qualified bidders are tailored to this auction and will not work for future auctions. The Commission will send each qualified bidder, along with a copy of this Public Notice, a pre-addressed, stamped envelope to return its SecurID® tokens. Each qualified bidder should return all of its SecurID® tokens to the Commission for recycling by **July 16, 2018**.

⁴³ For example, Commission staff may determine that a winning bidder is not entitled to the level of bidding credit that it has claimed and may require an additional payment to cover the amount of any percentage discount for which it was not eligible. See 47 CFR § 73.5007(a).

⁴⁴ See 47 CFR §§ 1.2108(d), 1.2109(a). See also *id.* § 73.5006(d). Although we expect applicants to provide complete and accurate information in all filings with the Commission, under our liberal amendment policy we will permit winning bidders to amend their long-form applications—including, as necessary, amendments to resolve site availability issues. See *Broadcast First Report and Order*, 13 FCC Rcd at 15986-89, paras. 167-76; *Mark Lipp, Esq.*, Letter Decision, 27 FCC Rcd 15190, 15193 (MB 2012); *David Oxenford, Esq.*, Letter Decision, 28 FCC Rcd 6269 (MB 2013).

Trent, counsel to J.J. & B Broadcasting, Inc. and Macon Media, Inc., from Albert Shuldiner, Chief, Audio Div., and Margaret W.
