ORDER

Adopted: January 29, 2018

Released: January 30, 2018

By the Chief, Media Bureau:

1. In this Order, we adopt the attached Consent Decree between the Media Bureau (Bureau) of the Federal Communications Commission (Commission) and KTGF License Corporation (Licensee or KTGF). The Consent Decree resolves issues raised in the Bureau staff's review of the above-captioned application for license renewal for station KTGF(TV), Great Falls, Montana (Station), specifically, KTGF's compliance with: (1) Section 73.3514(a) of the Commission's rules (Rules), which requires applicants to provide all necessary information in any application filed with the Commission; (2) Section 73.3526(e)(11)(i) of the Rules, which requires broadcast stations to prepare and place on a quarterly basis in their local public inspection file TV issues/programs lists; (3) Section 73.3526(e)(11)(ii) of the Rules, which requires a broadcast station to prepare and place in its public inspection file on a quarterly basis documentation supporting its certification of compliance with the Commission's commercial limits on children's programming; and (4) Section 73.3526(e)(11)(iii) of the Rules, which requires each such licensee to prepare and place in its public inspection file a Children's Television Programming Report (FCC Form 398) for each calendar quarter reflecting, inter alia, the efforts it made during that quarter to serve the educational and informational needs of children. A copy of the Consent Decree is attached hereto and incorporated by reference.

2. After reviewing its terms, we find that our adoption of the attached Consent Decree would serve the public interest. Although we conclude that the Consent Decree contains appropriate terms and conditions, after reviewing the record before us, we believe that the grant of a short-term renewal is appropriate in order to ensure the Licensee's ongoing compliance with the Communications Act of 1934, as Amended (Act), and the Rules. Accordingly, Media Bureau staff is instructed to grant the renewal application, File No. BRC DT-20131125AED, for a period of two years pursuant to Section 309(k)(2) the Act. Grant shall be conditioned upon KTGF fully and timely satisfying its obligation to

## II. BACKGROUND

3. On November 25, 2013, KTGF timely filed its License Renewal Application for the Station.<sup>2</sup> After reviewing the Station’s Children’s Programming Reports (Children’s Reports) for the third and fourth quarters of 2016, Division staff had reason to believe that the Station failed to air the requisite 3 hours of Core Programming for each of its four supplemental digital streams. Furthermore, a review of Station’s on-line electronic local public inspection file (e-pif) revealed that KTGF failed to provide required information in its TV Issues/Programs lists for eight quarters. On April 12, 2017, Division staff sent a letter to KTGF to ascertain the extent to which the Station failed to comply with the CTA and the Commission’s public file requirements.<sup>3</sup> On June 7, 2017, KTGF filed a response showing that although it aired the requisite amount of Core Programming for all of its supplemental digital streams, it failed to comply with the Commission’s public file rules, which it attempted to remedy by amending its TV Issues/Programs list, Commercial Limit Certifications, and Children’s Reports.

4. Section 73.3526 of the Rules requires each commercial broadcast licensee to maintain a public file containing information related to its station’s operations. Section 73.3526(e)(11)(i) of the Rules requires every broadcast television licensee to place in its public file, on a quarterly basis, a TV issues/programs list which details programs that have provided the station’s most significant treatment of community issues during the preceding three-month period and must include a brief narrative of the issue addressed, as well as the time, date, duration, and title of each program that addressed the issue. Section 73.3526(e)(11)(ii) of the Rules requires each such licensee to prepare and place in its public inspection file, on a quarterly basis, records sufficient to substantiate the Station’s certification, in its license renewal application, of compliance with the commercial limits on children’s programming. Section 73.3526(e)(11)(iii) of the Rules requires each such licensee to prepare and place in its public inspection file a Children’s Television Programming Report (FCC Form 398) for each calendar quarter reflecting, *inter alia*, the efforts it made during that quarter to serve the educational and informational needs of children. Copies of these documents must be retained until final action on the station’s next license renewal application.

5. In 2012, the Commission adopted Section 73.3526(b) of the Rules, which requires licensees to upload elements of a station’s physical public file to an on-line Commission hosted website (*i.e.*, a station’s e-pif or electronic public file).<sup>4</sup> The Commission’s e-pif requirement was implemented as

a means to modernize the way television broadcasters “inform the public about how they are serving their communities....”<sup>5</sup> Broadcasters’ e-pif requirements were phased in between August 2012 and February 2013. Beginning August 2, 2012, stations were required to post any document that would otherwise be placed in a station’s public file, with limited exceptions, to their e-pif on a going-forward basis. By February 4, 2013, stations were required, with limited exceptions, to upload to their e-pif those documents that were already in their physical public file prior to August 2, 2012.<sup>6</sup> Under Section 73.3526(b)(2) of the Rules, copies of a Station’s Commercial Limit Certifications and TV issues/programs lists, among other items, must be placed in its e-pif.

6. Since acquiring the Station in March 2012, KTGF admitted to failing to include required information on its TV Issues/Programs lists.<sup>7</sup> Specifically, KTGF failed to provide the dates and times it aired the programs included in such lists. Furthermore, from the first quarter of 2016 through the first quarter of 2017, KTGF failed to certify its commercial limit requirements for each of its four supplemental digital streams and failed to provide information on its Children’s Reports for each of those digital streams.

7. Section 73.3514(a) of the Rules provides that “[e]ach application shall include all information called for by the particular form on which the application is required to be filed....” Section IV of the license renewal application requires a licensee to certify that, during the license term, it complied with various aspects of the Rules, including placing required documents into the Station’s public file, as required by Section 73.3526 of the Rules.<sup>8</sup> However, as stated above, KTGF failed to include all required information on its TV Issues/Programs lists, to certify its commercial limit requirements for its four supplemental digital streams, and to provide information in its Children’s Reports for each of its four supplemental digital streams.

8. The Bureau and KTGF have negotiated the terms of the Consent Decree that terminates the Investigation into the matters raised in this proceeding. As part of the Consent Decree, KTGF has agreed to pay a Civil Penalty in the amount of Twelve Thousand Five Hundred Dollars (\$12,500) to the U.S. Treasury and to implement and maintain a Compliance Plan designed to ensure its future compliance with the Act and Commission’s rules and regulations, including those discussed above.

11. Effective Date. The Parties agree that this Consent Decree shall become effective on the Effective Date as defined herein. As of the Effective Date, the Adopting Order and this Consent Decree shall have the same force and effect as any other order of the Commission.

12. Violations. The Parties agree that any violation of the Adopting Order or of the terms of this Consent Decree shall constitute a separate violation of a Commission order, entitling the Commission to exercise any rights and remedies attendant to the enforcement of a Commission order.

13. Termination of Investigation; Grant of Renewal Application. In express reliance on the covenants and representations in this Consent Decree, and to avoid further expenditure of public resources, the Bureau agrees to terminate the Investigation. In consideration for the termination of the Investigation, KTGF agrees to the terms and conditions contained herein. The Bureau further agrees to grant, absent any other restrictions, in conjunction with the adoption of this Consent Decree, the License Renewal Application for a period of two years from the Effective Date. In consideration for the termination of the Investigation, KTGF agrees to the terms, conditions, and procedures contained herein, including the actions specified in Paragraphs 15 and 19 of this Consent Decree. Grant of the License Renewal Application is expressly conditioned on KTGF fully and timely satisfying its obligation to make a total Civil Penalty Payment in the amount of Twelve Thousand Five Hundred Dollars (\$12,500) in the manner specified in paragraph 14 of this Consent Decree. The Bureau further agrees that, in the absence of new material evidence or failure by KTGF to satisfy the terms and conditions set forth in paragraphs 15 and 19 of the Consent Decree, it will not use the facts developed, in whole or in part, from the Investigation through the Effective Date, or the existence of this Consent Decree, to institute on its own motion any proceedings, formal or informal, or take any action on its own motion against KTGF concerning the matters that were the subject of the Investigation. Nor will the Bureau take any action in response to any petition to deny, complaint, or objection against KTGF concerning the matters that were the subject of the Investigation. The Bureau also agrees that, in the absence of new material evidence or failure by KTGF to satisfy the terms and conditions set forth in paragraphs 15 and 19 of this Consent Decree, it will not use the facts developed in this Investigation through the Effective Date, or the existence of this Consent Decree, to institute on its own motion any proceeding, formal or informal, or take any action in response to any petition to deny, complaint, or objection against KTGF with respect to its basic qualifications, including its character qualifications, to be a Commission licensee or to hold Commission licenses or authorizations.

14. Subsequent Investigations. Except as expressly provided herein, this Consent Decree shall not prevent the Bureau or Commission from investigating new evidence of noncompliance by KTGF with the Communications Laws. Nothing in this Consent Decree shall prevent the Commission or its delegated authority from adjudicating complaints or other adjudicatory pleadings filed against KTGF for alleged violations of the Act or the Commission's rules or for any alleged misconduct, regardless of when such misconduct took place, subject to the limitations set forth in Paragraph 13 of this Consent Decree. The Bureau or the Commission's adjudication of any such complaints or pleadings will be based solely on the record developed in subsequent proceedings.

15. Civil Penalty. KTGF will pay a civil penalty to the United States Treasury in the amount of Twelve Thousand Five Hundred Dollars (\$12,500) due in accordance with the payment schedule provided in Paragraph 16 of this Consent Decree. KTGF agrees that upon execution of this Consent Decree the Civil Penalty shall become a "Claim" or "Debt" as defined in 31 U.S.C. § 3701(b)(1).<sup>9</sup> KTGF shall send electronic notification of payment to Darren Fernandez at [darren.fernandez@fcc.gov](mailto:darren.fernandez@fcc.gov) on the date said payments are made. All payments must be made by check or similar instrument, wire transfer, or credit card, and must include the FRN captioned above. An FCC Form 159 (Remittance Advice) must

20. Severability. Parties agree that if any of the provisions of the Consent Decree shall be held unenforceable by any court of competent jurisdiction, such unenforceability shall not render unenforceable the entire Consent Decree, but rather the entire Consent Decree shall be construed as if not containing the unenforceable provision or provisions, and the rights and obligations of the Parties shall be construed and enforced accordingly.

21. Invalidity. If this Consent Decree, in its entirety, is rendered invalid by any court of competent jurisdiction, it shall become null and void and may not be used in any manner in any legal proceeding.

A conflict will be considered to have arisen if the KTGF is unable to comply with both the terms and conditions of this Consent Decree and the Communications Laws, as amended.
