INTEREXCHANGE RESELLERS TO MARTIN TIBBITTS**

NON-STREAMLINED PLEADING CYCLE ESTABLISHED

WC Docket Nos. 18-107, 18-108, 18-109, 18-110, 18-111, 18-112

Comments Due: July 26, 2018
Reply Comments Due: August 2, 2018

By this Public Notice, the Wireline Competition Bureau (Bureau) seeks comment from interested parties on applications filed by various interexchange resellers (collectively, Licensees) and Mr. Martin Tibbitts (Transferee; together with Licensees, Applicants), pursuant to section 214 of the Communications Act of 1934, as amended, and sections 63.03-04 of the Commission's rules, requesting consent to the transfer of control of the Licensees to Mr. Tibbitts.¹

The Licensees, all U.S.-based interexchange resellers, provide resold interexchange services to customers in multiple states. The Bureau has assigned a docket number to each application and describes them briefly as follows:

- **WC Docket No. 18-107:** Applicants state that Business Network Long Distance Inc., a Nevada corporation, is currently wholly owned by Brian Curtiss.
- **WC Docket No. 18-108:** Applicants state that Network Service Billing, Inc., a Nevada corporation, is currently wholly owned by Peter Lagergren.
- **WC Docket No. 18-109:** Applicants state that Nationwide Long Distance Service, Inc., a Nevada corporation, is currently wholly owned by Andrea Hylen.
- **WC Docket No. 18-110:** Applicants state that Integrated Services, Inc., a Nevada corporation, is currently wholly owned by Larry Gilleland.

¹ See 47 U.S.C. § 214; 47 CFR §§ 63.03-04. On August 11, 2017, the International Bureau granted applications associated with international services provided by Licensees. See *Streamlined International Applications Accepted for Filing, Section 214 Applications (47 C.F.R. § 63.18)*, Public Notice, Report No. TEL-01859S (IB Jul. 28, 2017). On May 22, 2018, Applicants filed verifications attesting to the facts in each of the domestic section 214 applications filed in WC Docket Nos. 18-107 through 18-112. See Letters from Kenny Perkins, Consultant for Applicants, to the Federal Communications Commission, WC Docket Nos. 18-107-18-112 (filed May 22, 2018). Applicants submitted corrected declarations along with lists of the states where each of the Transferees currently provide service on June 20, 2018. Any action on the domestic section 214 applications is without prejudice to Commission action on other related applications.

- **WC Docket No. 18-111:** Applicants state that Communications Network Billing, Inc., a Nevada corporation, is currently wholly owned by Christina Tucker.
- **WC Docket No. 18-112:** Applicants state that Multiline Long Distance, Inc., an Ohio corporation, is currently wholly owned by Everard Meade.

Pursuant to the terms of the proposed transactions, Mr. Martin Tibbitts, a U.S. citizen, will purchase all of the shares of common stock from each of the current owners of the Licensees. Applicants state that, following the consummation of these transactions, Mr. Tibbitts will wholly own each of the Licensees. Applicants assert that a grant of the applications will serve the public interest, convenience, and necessity. Although Applicants request streamlined processing, because of the public interest review associated with the proposed transactions, the applications are not subject to streamlined treatment.²
