Notice is hereby given that the Commission received prohibited written presentations in the above-referenced proceedings between July 27, 2018, and August 2, 2018 (the “Sunshine Agenda Period”). The presentations are listed in the Appendix.

With specified exceptions not applicable here, Section 1.1203 of the Commission’s Rules, 47 CFR § 1.1203, prohibits the making of any presentation, whether ex parte or not, to decision-making personnel concerning any matter listed on the Commission’s Sunshine Agenda from the day after the Sunshine Agenda is released until the Commission releases the text of a decision or order relating to that matter or removes the item from the Sunshine Agenda. The instant presentations addressed the merits of the above-referenced proceedings, which were included in the Commission’s Sunshine Agenda by Public Notice released July 26, 2018, for consideration at the August 2, 2018, open Commission meeting. The Commission released a Third Report and Order and Declaratory Ruling in the captioned proceedings on August 3, 2018. *Accelerating Wireline Broadband Deployment by Removing Barriers to Infrastructure Investment and Accelerating Wireless Broadband Deployment by Removing Barriers to Infrastructure Investment*, FCC 18-111 (August 3, 2018).

Under Section 1.1212(d) of the Commission’s Rules, 47 CFR § 1.1212(d), presentations that are received during the Sunshine Agenda Period and do not meet an exception provided by 47 CFR § 1.1204(a) shall be associated with, but not made a part of, the record in the relevant proceedings. In accordance with the rule, the presentations made during the Sunshine Agenda Period here will be associated with, but not made part of, the record in the above-referenced proceedings.

The full texts of these presentations are available for public inspection and copying during regular business hours at the FCC Reference Information Center, Portals II, 445 12th Street, SW, Room CY-A257, Washington, DC, 20554. These filings may also be viewed in the Commission’s Electronic Comment Filing System (ECFS) at <https://www.fcc.gov/ecfs>.

In addition to the presentations listed in the Appendix, the Commission received numerous communications from individual members of the public and others regarding this proceeding during the Sunshine Agenda Period through the Express Comment feature of ECFS. Because of

the large number and brief nature of these comments, we have not listed them individually in the Appendix. These comments, like the listed comments, will be associated with, but not made part of, the record and may be viewed in ECFS.
