* For each state where the applicant is ready-to-be-authorized, the long-form applicant must submit a letter of credit or multiple letters of credit that cover all of the ready-to-be authorized bids in that state. Compliance with service milestones will be reviewed on a state-wide basis. Accordingly, if a long-form applicant chooses to obtain a letter of credit for each of its bids that are located in a state and defaults on only one bid, either of the Bureaus will authorize a draw on all letters of credit covering all the bids in that state.
