AU Docket No. 17-182
WC Docket No. 10-90

By this Public Notice, the Rural Broadband Auctions Task Force, Wireline Competition Bureau, and the Office of Economics and Analytics announce they are ready to authorize Connect America Fund Phase II auction (Auction 903) support for the Auction 903 winning bids identified in Attachment A of this Public Notice. To be authorized to receive the total 10-year support amounts listed in Attachment A, the long-form applicants identified in that attachment are required to submit acceptable irrevocable standby letter(s) of credit and Bankruptcy Code opinion letter(s) from their legal counsel for each state where they have winning bids that are ready to be authorized in accordance with the instructions provided below by the applicable deadline – prior to 6:00 p.m. ET on Wednesday, April 17, 2019.

On August 28, 2018, we announced that there were 103 winning bidders in the auction and established the deadlines for winning bidders to submit their long-form applications for Connect America Fund Phase II support.1 On October 30, 2018, after an opportunity for winning bidders to assign some or all of their winning bids to related entities, we announced that there were 134 long-form applicants.2 We have reviewed the long-form applications associated with each of the winning bids identified in Attachment A. Based on the representations and certifications in each relevant long-form application, we are prepared to authorize support, subject to submission of the required letter(s) of credit and Bankruptcy Code opinion letter(s), for each of the winning bids identified in Attachment A.3

Several winning bidders have notified us that they do not intend to pursue some or all of their winning bids.4 In Attachment B, we list these bidders and their relevant winning bids. Auction 903 support will not be authorized for their relevant winning bids. These bidders are in default and subject to forfeiture.5 We will refer these defaulting bidders to the Enforcement Bureau. The Commission expects

2 134 Long-Form Applicants in the Connect America Fund Phase II Auction (Auction 903), AU Docket No. 17-182, WC Docket No. 10-90, Public Notice, DA 18-1113 (WTB and WCB Oct. 30, 2018). In the list of long-form applicants, Independent Networks L.C.’s name was incorrectly listed as Independent Networks, Inc. We will post an updated list correcting this error.

4 Pine Cellular Phones, Inc. is included in both Attachments A and B because it has decided to pursue only its Gigabit performance tier bids in Oklahoma.

all bidders to act in good faith and is taking voluntary defaults very seriously.

In the event of an auction default, a base forfeiture per violation of $3,000 may be imposed. So that this base forfeiture amount is not disproportionate to the amount of a winning bidder’s bid, the Commission has limited the total base forfeiture to five percent of the bidder’s total assigned support for the bid for the support term. Notwithstanding this limitation, the total base forfeiture will also be subject to adjustment upward or downward based on the criteria set forth in the Commission’s forfeiture guidelines. A violation is defined as any form of default with respect to the minimum geographic unit eligible for bidding. In other words, there shall be separate apparent violations for each census block group assigned in a bid. In addition, any applicant that failed to submit audited financial statements as required may also be subject to a base forfeiture of $50,000, which will be subject to adjustment upward or downward as appropriate based on criteria set forth in the Commission’s forfeiture guidelines.

Commission staff is reviewing information that is submitted with long-form applications on a rolling basis. Accordingly, a long-form applicant that was not included in this Public Notice but that has submitted all of the required information will be included in a future Public Notice once Commission staff finalizes its review of the long-form application.

Pursuant to section 54.315(b)(6)(v) of the Commission’s rules, no later than 10 business days after we release a public notice identifying long-form applicants that may be authorized to receive Connect America Fund Phase II auction support, such long-form applicants must submit an irrevocable stand-by letter(s) of credit, issued in substantially the same form as set forth in the model letter of credit provided in Appendix B of the Phase II Auction Order by a bank that is acceptable to the Commission. A separate letter(s) of credit must be submitted for each state where the long-form applicant has winning bids that are ready to be authorized in an amount equal to at least the first year of support in the state. Before a support recipient can receive its next year’s support and each year’s support thereafter, it must modify, renew, or obtain a new letter of credit to ensure that it is valued at a minimum at the total amount of support that has already been disbursed plus the amount of support that is going to be provided in the (Continued from previous page)

7 Phase II Auction Order, 31 FCC Rcd at 6000-01, para. 144; Auction 903 Procedures Public Notice, 33 FCC Rcd at 1521, para. 315. This would occur in situations where the dollar amount associated with the bid is low. For example, assume Bidder A’s winning bid includes 100 CBGs for $100,000 over the 10-year support term. We may impose a base forfeiture of $5,000 (5 percent of $100,000) because otherwise the base forfeiture would be $300,000 ($3,000 x 100 CBGs), which is three times the entire bid amount. In contrast, if Bidder B’s winning bid includes 100 CBGs for $7,000,000 over the support term, we may impose a base forfeiture of $300,000 ($3,000 x 100 CBGs), which is 4.3 percent of the total bid.

12 The Commission’s rules list specific requirements for a bank to be acceptable to the Commission to issue the letter of credit. Those requirements vary for United States banks and non-U.S. banks. See 47 CFR § 54.315(c)(2); Phase II Auction Order, 31 FCC Rcd at 5992-97, paras. 126-33.

next year, subject to certain reductions when the support recipient has substantially met its service milestones.\textsuperscript{14}

An applicant may obtain multiple letters of credit to cover all the bids in the state, but compliance with service milestones will be reviewed on a state-wide basis. Accordingly, if a long-form applicant chooses to obtain a letter of credit for each of its winning bids in a state and defaults, a draw on all of the letters of credit covering all of the bids in the state will be authorized.\textsuperscript{15}

In addition, a long-form applicant is required to provide with the letter of credit an opinion letter from legal counsel clearly stating, subject only to customary assumptions, limitations, and qualifications, that, in a proceeding under the Bankruptcy Code, the bankruptcy court would not treat the letter of credit or proceeds of the letter of credit as property of the long-form applicant’s bankruptcy estate, or the bankruptcy estate of any other bidder-related entity requesting issuance of the letter of credit, under section 541 of the Bankruptcy Code.\textsuperscript{16}

By future public notice, we will authorize support for specific winning bids for which all requirements, including submission of the letter of credit and opinion letter, have been met.

Details concerning the next steps are set forth below.
