On January 28, 2019, the Commission received Office of Management and Budget (OMB) approval of these rules. On April 15, 2019, the Commission announced, in the Federal Register, OMB

Registrations must be submitted via the Commission’s website at <https://www.fcc.gov/ipr>. Instructions for submitting a registration can be found at <https://www.fcc.gov/files/ipr-instructions.pdf>. Intermediate providers must submit any necessary updates because of changes to their registration information to the Commission within 10 business days of the change.¹¹

Pursuant to the RCC Act, the Intermediate Provider Registry is publicly available on the Commission’s website.¹² A list of registered intermediate providers, published as a .csv file, may be downloaded at any time at <https://www.fcc.gov/ipr-ext>.

Consistent with the *Third RCC Order*, any applicable check under the Commission’s “red-light” rule will be conducted after intermediate provider registration.¹³ Thus, any entity registered in the Intermediate Provider Registry who is later discovered to be a delinquent debtor will be subject to appropriate action, including de-registration.¹⁴
