FCC ANNOUNCES THE MEMBERSHIP AND NEXT MEETING OF THE TECHNOLOGICAL ADVISORY COUNCIL

The FCC has rechartered its Technological Advisory Council (TAC) for a two-year term commencing on May 17, 2019. The TAC, comprised of a diverse group of leading technology experts, provides technical expertise to the Commission to identify important areas of innovation and develop informed technology policies supporting the United States' competitiveness in the global economy. The TAC will consider and advise the Commission on a variety of topics such as the deployment of 5G technology, the evolution of broadband networks and devices and their implications, the spectrum needs of unmanned aircraft systems, new developments in antenna technology, and the applications of artificial intelligence to telecommunications networks.

The next meeting of the TAC will be held on Friday June 21, 2019, from 10:00 a.m. to 4:00 p.m. in the Commission Meeting Room, 445 12th Street, S.W., Washington, D.C. The public is invited to attend.

Dennis Roberson, Executive Chairman of entigen**logic**™, serves as Chairman of the Council. Michael Ha, Deputy Chief of the Policy and Rules Division, serves as the Designated Federal Officer. Julius Knapp, Chief of the Office of Engineering and Technology is the Alternate Designated Federal Officer.

Member of the Technological Advisory Council are listed below. For further information, contact Michael Ha at Michael.Ha@fcc.gov or 202-418-2099.
