**ORDER TO PAY OR TO SHOW CAUSE**

**Adopted: June 6, 2019****Released: June 6, 2019**

By the Chief, Media Bureau:

**I. INTRODUCTION**

1. By this Order to Pay or to Show Cause, we initiate a proceeding to revoke the license held by Metropolitan Management Corporation of Tennessee (Metropolitan) for WNPZ(AM), Knoxville, Tennessee (Station), for failure to pay delinquent regulatory fees and associated interest, administrative costs, and penalties owed to the Commission. For the reasons set forth below, we direct Metropolitan to pay the overdue regulatory fees, including any associated interest, penalties, and administrative costs, or show cause why the payment demanded is inapplicable or should otherwise be waived or deferred.

**II. DISCUSSION**

2. Under Section 9 of the Communications Act of 1934, as amended (Act), and the Commission's rules (Rules), the Commission is required to "assess and collect regulatory fees" to recover the costs of certain regulatory activities.<sup>1</sup> When the required payment is received late or is incomplete, the Commission must assess a penalty equal to "25 percent of the amount of the fee which was not paid in a timely manner."<sup>2</sup>

3. For fiscal year (FY) 2005, the deadline for paying regulatory fees was September 7, 2005;<sup>3</sup> for FY 2006, it was September 19, 2006;<sup>4</sup> for FY 2007, it was September 19, 2007;<sup>5</sup> for FY 2008, it was September 11, 2008;<sup>6</sup> for FY 2010, it was August 31, 2010;<sup>7</sup> for FY 2011, it was September 16, 2011;<sup>8</sup> for FY 2012, it was September 13, 2012;<sup>9</sup> for FY 2013, it was September 20, 2013;<sup>10</sup> for FY 2014,

it was September 23, 2014;<sup>11</sup> for FY 2015, it was September 24, 2015;<sup>12</sup> for FY 2016, it was September 27, 2016;<sup>13</sup> and for FY 2017, it was September 26, 2017.<sup>14</sup> When Metropolitan failed to pay or only partially paid its regulatory fees by these deadlines, the Commission assessed charges that included the statutory late payment penalty required by the Act<sup>15</sup> and Sections 1.1157(c)(1) and 1.1164 of the Rules,<sup>16</sup> and interest, penalties, and administrative costs required by Section 3717 of Title 31 of the U.S. Code and Section 1.1940 of the Rules.<sup>17</sup>

4. The Commission's records show that Metropolitan currently has unpaid regulatory fees of \$652.36 for FY 2005; \$3,306.92 for FY 2006; \$3,174.51 for FY 2007; \$3,376.62 for FY 2008; \$2,655.61 for FY 2010; \$2,778.60 for FY 2011; \$2,932.28 for FY 2012; \$3,094.93 for FY 2013; \$2,876.29 for FY 2014; \$3,251.50 for FY 2015; \$2,590.75 for FY 2016; and \$3,381.24 for FY 2017. Additional charges will continue to accrue on these debts until they are paid in full. Demand Letters, which demanded payment of Metropolitan's delinquent regulatory fees, were previously sent to Metropolitan.<sup>18</sup> When Metropolitan did not pay the FY 2005, FY 2006, FY 2007, FY 2008, FY 2010, FY 2011, FY 2012, FY 2013, FY 2014, FY 2015, FY 2016, and FY 2017 regulatory fee debt, the Commission transferred that debt to the Secretary of Treasury at the Treasury Department for collection.<sup>19</sup> At the Commission's request, and in order to consolidate the collection process, the Secretary of the Treasury has returned all of the previously transferred regulatory fee debt to the Commission for further collection.

5. In addition to financial penalties, Section 9A(c)(4) of the Act,<sup>20</sup> and Section 1.1164(f) of the Rules<sup>21</sup> grant the FCC the authority to revoke authorizations for failure to pay regulatory fees (or related interest and penalties) in a timely fashion. Accordingly, we require Metropolitan to file with the Media Bureau documented evidence within sixty (60) calendar days of the date of this Order that full payment of all outstanding regulatory fee debt has been made in accordance with Section 1.1164(a) of the
