CONNECT AMERICA FUND PHASE II AUCTION SUPPORT FOR 611 WINNING BIDS READY TO BE AUTHORIZED

Listed Auction 903 Long-Form Applicants Must Submit Letters of Credit and Legal Counsel's Opinion Letters by Friday, June 21, 2019

AU Docket No. 17-182

WC Docket No. 10-90

By this Public Notice, the Rural Broadband Auctions Task Force, Wireline Competition Bureau, and the Office of Economics and Analytics announce they are ready to authorize Connect America Fund Phase II auction (Auction 903) support for the Auction 903 winning bids identified in Attachment A of this Public Notice. To be authorized to receive the total 10-year support amounts listed in Attachment A, the long-form applicants identified in that attachment are required to submit acceptable irrevocable stand-by letter(s) of credit and Bankruptcy Code opinion letter(s) from their legal counsel for each state where they have winning bids that are ready to be authorized in accordance with the instructions provided below by the applicable deadline – **prior to 6:00 p.m. ET on Friday, June 21, 2019.**

On August 28, 2018, we announced that there were 103 winning bidders in the auction and established the deadlines for winning bidders to submit their long-form applications for Connect America Fund Phase II support.¹ On October 30, 2018, after an opportunity for winning bidders to assign some or all of their winning bids to related entities, we announced that there were 134 long-form applicants.² We have reviewed the long-form applications associated with each of the winning bids identified in Attachment A. Based on the representations and certifications in each relevant long-form application, we are prepared to authorize support, subject to submission of the required letter(s) of credit and Bankruptcy Code opinion letter(s), for each of the winning bids identified in Attachment A.³

Auction 903 long-form applicants were required to certify that they are eligible telecommunications carriers (ETCs) in all bid areas and to submit appropriate documentation supporting such certification on or before February 25, 2019.⁴ We find good cause to waive this deadline for Tri-Co

² *134 Long-Form Applicants in the Connect America Fund Phase II Auction (Auction 903)*, Public Notice, 33 FCC Rcd 10967 (WTB and WCB 2018). Citynet LLC assigned its winning bids to Citynet West Virginia, L.C. We will post an updated list of long-form applicants that reflects this change.

Connections, LLC (Tri-Co Connections) in Pennsylvania and Plains Internet, LLC (Plains Internet) in Texas.⁵ Generally, the Commission's rules may be waived for good cause shown.⁶ The Commission has found that waiver of this deadline is appropriate when an ETC designation proceeding is not yet complete by the deadline despite the good faith efforts of the long-form applicant.⁷ The Commission has explained that it would presume such good faith efforts when the petitioner submitted its petition to the relevant authority within 30 days of the release of the *Auction 903 Closing Public Notice*.⁸ Because Tri-Co Connections filed its petition with the Pennsylvania Public Utility Commission within this 30-day time frame,⁹ we find Tri-Co Connections demonstrated due diligence and acted in good faith.¹⁰ Thus, there is good cause to waive the deadline.

Plains Internet filed a petition with the Public Utility Commission of Texas (Texas PUC) for a Lifeline ETC designation in Texas in 2016 and then submitted a petition for a Lifeline ETC designation with the Federal Communications Commission based on the belief that the Texas PUC did not have jurisdiction over its application.¹¹ Once it was announced that Plains Internet had been assigned Auction 903 support in Texas, Plains Internet resubmitted its ETC application with the Commission in November 2018.¹² After learning that the Texas PUC did have jurisdiction, Plains Internet submitted a new ETC designation application with the Texas PUC on December 3, 2018.¹³ Plains Internet claims that its ETC designation was then delayed “[d]ue to several requests for supplemental information.”¹⁴ Based on these circumstances, we find that Plains Internet acted diligently in attempting to obtain its ETC designation prior to the deadline and, accordingly, waive the Auction 903 ETC deadline. The late-filing of this ETC application did not delay the Commission's long-form application review process or the provision of voice and broadband services to consumers living in the areas where the long-form applicant was awarded support.¹⁵

Several winning bidders have notified us that they do not intend to pursue some of their winning bids.¹⁶ In Attachment B, we list these bidders and their relevant winning bids. Auction 903 support will

⁵ The Commission has delegated to the Wireline Competition Bureau the authority to grant waivers of the filing deadline. *See Phase II Auction Order*, 31 FCC Rcd at 6003, para. 153 & n.315. not be authorized for their relevant winning bids. These bidders are in default and subject to forfeiture.¹⁷ We will refer these defaulting bidders to the Enforcement Bureau. The Commission expects all bidders to act in good faith and is taking voluntary defaults very seriously.

In the event of an auction default, a base forfeiture per violation of \$3,000 may be imposed.¹⁸ So that this base forfeiture amount is not disproportionate to the amount of a winning bidder's bid, the Commission has limited the total base forfeiture to five percent of the bidder's total assigned support for the bid for the support term.¹⁹ Notwithstanding this limitation, the total base forfeiture will also be subject to adjustment upward or downward based on the criteria set forth in the Commission's forfeiture guidelines.²⁰ A violation is defined as any form of default with respect to the minimum geographic unit eligible for bidding.²¹ In other words, there shall be separate apparent violations for each census block group assigned in a bid. In addition, any applicant that failed to submit audited financial statements as required may also be subject to a base forfeiture of \$50,000, which will be subject to adjustment upward or downward as appropriate based on criteria set forth in the Commission's forfeiture guidelines.²²

Commission staff is reviewing information that is submitted with long-form applications on a rolling basis. Accordingly, a long-form applicant that was not included in this Public Notice but that has submitted all of the required information will be included in a future Public Notice once Commission staff finalizes its review of the long-form application.

Pursuant to section 54.315(b)(6)(v) of the Commission's rules, no later than 10 business days after we release a public notice identifying long-form applicants that may be authorized to receive Connect America Fund Phase II auction support, such long-form applicants must submit an irrevocable stand-by letter(s) of credit, issued in substantially the same form as set forth in the model letter of credit provided in Appendix B of the *Phase II Auction Order*²³ by a bank that is acceptable to the Commission.²⁴ **Prior**

This would occur in situations where the dollar amount associated with the bid is low. For example, assume Bidder A's winning bid includes 100 CBGs for \$100,000 over the 10-year support term. We may impose a base forfeiture of \$5,000 (5 percent of \$100,000) because otherwise the base forfeiture would be \$300,000 (\$3,000 x 100 CBGs), which is three times the entire bid amount. In contrast, if Bidder B's winning bid includes 100 CBGs for \$7,000,000 over the support term, we may impose a base forfeiture of \$300,000 (\$3,000 x 100 CBGs), which is 4.3 percent of the total bid.

²⁴ The Commission's rules list specific requirements for a bank to be acceptable to the Commission to issue the letter of credit. Those requirements vary for United States banks and non-U.S. banks. See 47 CFR § 54.315(c)(2); *Phase II Auction Order*, 31 FCC Rcd at 5992-97, paras. 126-33.

to submitting their letters of credit, we encourage long-form applicants to view and share with their issuing banks the Letter of Credit Common Errors List available on USAC's website:

<https://www.usac.org/hc/funds/caf-phase-ii-auction.aspx>.

A separate letter(s) of credit must be submitted for each state where the long-form applicant has winning bids that are ready to be authorized in an amount equal to at least the first year of support in the state.²⁵ Before a support recipient can receive its next year's support and each year's support thereafter, it must modify, renew, or obtain a new letter of credit to ensure that it is valued at a minimum at the total amount of support that has already been disbursed plus the amount of support that is going to be provided in the next year, subject to certain reductions when the support recipient has substantially met its service milestones.²⁶

An applicant may obtain multiple letters of credit to cover all the bids in the state, but compliance with service milestones will be reviewed on a state-wide basis. Accordingly, if a long-form applicant chooses to obtain a letter of credit for each of its winning bids in a state and defaults, a draw on *all* of the letters of credit covering *all* of the bids in the state will be authorized.²⁷

In addition, a long-form applicant is required to provide with the letter of credit an opinion letter from legal counsel clearly stating, subject only to customary assumptions, limitations, and qualifications, that, in a proceeding under the Bankruptcy Code, the bankruptcy court would not treat the letter of credit or proceeds of the letter of credit as property of the long-form applicant's bankruptcy estate, or the bankruptcy estate of any other bidder-related entity requesting issuance of the letter of credit, under section 541 of the Bankruptcy Code.²⁸

By future public notice, we will authorize support for specific winning bids for which all requirements, including submission of the letter of credit and opinion letter, have been met.

Details concerning the next steps are set forth below.

Instructions for Submission of Letter of Credit and Opinion Letter

Long-form applicants identified in Attachment A of this Public Notice must submit a letter(s) of credit and opinion letter(s) for each state where it has winning bids identified in Attachment A. The minimum amount of the first letter of credit for each state is determined by adding up the first year of support listed in Attachment A for each winning bid in the state. The letter(s) of credit and opinion letter(s) submitted to the Universal Service Administrative Company (USAC) must reference the relevant study area code as listed in Attachment A.

The original of the letter of credit and opinion letter must be submitted to USAC by the applicable deadline –**prior to 6:00 p.m. ET on Friday, June 21, 2019**, at the following address: Universal Service Administrative Company (USAC), High Cost Program, CAF Phase II Auction LOC, 700 12th Street, NW, Suite 900, Washington, DC 20005.
