By the Chief, Wireline Competition Bureau:

1. On May 4, 2018, USTelecom—The Broadband Association (USTelecom) filed the above-captioned petition for forbearance, in which it seeks relief from three categories of requirements applicable to incumbent local exchange carriers (LECs) or subsets thereof.¹ One category includes incumbent LEC-specific unbundled network element (UNE) and resale mandates in sections 251(c)(3) and (4) and associated obligations under sections 251 and 252 of the Communications Act.²

2. On June 17, 2019, USTelecom filed a request for approval to narrowly withdraw its request for forbearance relief from “dark fiber transport unbundling requirements.”³ USTelecom seeks to withdraw this portion of the Petition “without prejudice as to further action, including re-filing claims relating to dark fiber.”⁴ The Wireline Competition Bureau hereby grants this request and dismisses the withdrawn portion of the petition without prejudice.⁵
