**ORDER**

**Adopted: June 24, 2019**

**Released: June 25, 2019**

By the Assistant Chief, Audio Division, Media Bureau:

1. This *Order* updates the FM Table of Allotments (“FM Table”)<sup>1</sup> to reinstate certain vacant FM allotments. The attached Appendix shows the FM Table, as amended, for those communities.

2. Formerly, the FM Table listed all vacant FM allotments as well as FM channels and communities occupied by authorized facilities.<sup>2</sup> In 2006, the Commission removed the allotments of authorized and awarded FM facilities from the FM Table in order to accommodate the new application procedures for radio stations to change their communities of license.<sup>3</sup> As contemplated by the *Changes of Community R&O*, when an authorization is cancelled, the vacant allotment must be reinstated in the FM Table to preserve the opportunity to license a future station in the specified community.<sup>4</sup> The allotments listed in the attached Appendix was removed from the FM Table of Allotments because a construction permit and/or license was granted. These FM allotments are considered vacant because of the cancellation of the associated authorizations or the dismissal of long-form auction applications. We are, therefore, reinstating the allotments set forth in the Appendix. On a going-forward basis, we will periodically issue *Orders* to update the FM Table reinstating allotments that have become vacant due to the cancellation of an authorization or license.

3. The vacant FM allotments listed in the Appendix have previously undergone notice and comment rule making. Reinstatement of the vacant allotments is merely a ministerial action to effectuate licensing procedures adopted in the *Changes of Community R&O*. Therefore, we find for good cause that further notice and comment are unnecessary.<sup>5</sup>

<sup>4</sup> See *id.* (stating that FM Table is “to reflect only vacant allotments that do not correspond to an authorized station or reserved assignment”).

<sup>5</sup> See 5 U.S.C. § 553(b)(B).

4. The Commission will not send a copy of this *Order* pursuant to the Congressional Review Act, *see* 5 U.S.C. 801(a)(1)(A), because these allotments were previously reported.

5. **Ordering Clauses.** Accordingly, IT IS ORDERED, That upon publication in the Federal Register, the FM Table of Allotments, 47 C.F.R. section 73.202(b), IS AMENDED, in accordance with the changes set forth in the Appendix to this Order.
