FCC ANNOUNCES VACANCIES IN THE MEMBERSHIP OF ITS NATIVE NATIONS COMMUNICATIONS TASK FORCE AND SEEKS NOMINATIONS

By this Public Notice the Federal Communications Commission (Commission) seeks nominations to fill three Tribal vacancies on the Native Nations Communications Task Force (Task Force).¹ Applications should be submitted in accordance with the procedures outlined below. Members appointed by the Chairman of the Commission to fill the vacancies will serve through the end of the Task Force's current three-year term, which runs through October 2021.²

MISSION AND FUNCTION

The Task Force's mission is to make recommendations to the Commission on communications-related issues that affect Tribal interests. The Task Force is intended to provide an effective means for Tribal thought leaders to exchange ideas and develop recommendations to the Commission on, among other things, the availability of communications facilities and services – including, but not limited to, broadband—on Tribal lands, which will in turn enhance the Commission's ability to carry out its statutory responsibilities to ensure the availability of communication by wire and radio and encourage broadband deployment to all Americans.³ Since its establishment in March 2011, the Task Force has been composed of senior Commission staff and elected or appointed leaders from federally recognized Tribal governments or governmental entities, or their designated employees, and has helped the Commission fulfill its commitment to increasing broadband deployment and adoption on Tribal lands.⁴

The issues to be considered by the Task Force may include but are not limited to: (i) executing the Commission's Tribal Consultation policy; (ii) identifying barriers to broadband deployment that are unique to Tribal lands; and (iii) ensuring Tribal concerns are considered in

¹ See *Chairman Pai Announces New Appointments to the Native Nations Communications Task Force*, Public Notice, 33 FCC Rcd 10152 (2018) ("Task Force PN"). The Task Force has twenty-eight (28) members comprised of twenty (20) representatives of Tribal Nations and eight (8) FCC senior officials and is led by two Co-Chairpersons – a Commission Co-Chair, Chief of the Office of Native Affairs and Policy, and a Tribal Co-Chair elected by the Tribal Members.

all Commission proceedings related to broadband and other Commission undertakings that affect Tribal interests regarding communications services and facilities.

Pursuant to the “intergovernmental communication” exemption in Section 204(b) of the Unfunded Mandates Reform Act of 1995 (“UMRA”), 2 U.S.C. § 1534(b), the Task Force is not subject to the requirements or procedures set forth in the Federal Advisory Committee Act (“FACA”), 5 U.S.C. App. 2 (1988). Section 204(b) of UMRA provides an exemption from FACA for intergovernmental communications involving meetings between Federal officials and Federal employees and “elected officers of State, local and Tribal governments (or their designated employees with authority to act on their behalf) acting in their official capacities.” Therefore, applicants for the Task Force must be individuals who satisfy these requirements.

By this *Public Notice*, we seek nominations for membership on this Task Force.

Nominations for membership must be received by the FCC no later than August 26, 2019.

Procedures for submitting nominations are set forth below.

WHO MAY APPLY FOR MEMBERSHIP

In filling the vacancies, the Commission seeks to balance representation of certain regions and the subject-matter expertise of the Task Force. The Commission is particularly interested in applicants with diverse professional experience and backgrounds in broadband, telecommunications, broadcast, information technology, and infrastructure deployment and adoption. Applicants should be elected leaders from federally recognized Tribal governments or governmental entities, or their designated employees.

The Commission will select Task Force members to balance the expertise and viewpoints necessary to effectively address the issues to be considered by the Task Force, and to ensure appropriate representation of diverse Tribal views. Members also have an initial and continuing obligation to disclose any interests in, or connections to, persons or entities who are or will be regulated by, or who have interests before, the Commission.

OBLIGATIONS OF TASK FORCE MEMBERS

Members will serve at the discretion of the Chairman of the Commission. The Task Force meets in person twice a year, with one meeting held at the Commission in Washington, DC and the other held in the field. The Task Force supplements these semiannual meetings with four teleconferences. While full participation is expected, Task Force members are required to attend fifty percent (50%) of the annual meetings, to include at least one in-person meeting, and at least two teleconferences. Attendance in person is at the Task Force member’s own expense.

NOMINATION PROCEDURE, DEADLINE AND MEMBER APPOINTMENTS

All nominations should be received by the Commission as soon as possible, but no later than August 26, 2019.

Applicants

No specific nomination form is required; however, each nomination must include the following information:

- Name and position of the applicant with respect to a Tribal government;
- Telephone number;
- Mailing address and/or e-mail address;
- A brief description of the applicant's area(s) of expertise and qualifications to serve on the Task Force;
- A nominating letter from the relevant elected Tribal government official or officials in support of the applicant.

Designated Employee

In the case of a person seeking to serve as a “designated employee,” the name of the elected officer on whose behalf the employee would be acting and a copy of the officer's designation letter is also required. A designated employee must be on the staff of a Tribal government, and part of the governmental process. The designated employee's experience and qualifications should be commensurate with the functions of the Task Force, and not ministerial, such as a professional or administrative assistant.

Because the “intergovernmental communication” exemption, as applied to the Task Force, is institutional in nature, the exemption covers Federal communications with elected officers or their designated employees involved in the governmental process at the Tribal level. Before the first meeting of the Task Force, those seeking nomination as a “designated employee” should provide a letter or other documentation from the elected officer of the Tribal government for whom the employee would be acting, advising the Commission that such employee is duly authorized to act on such official's behalf. Following these procedures will ensure the Task Force may operate with adequate flexibility and within its FACA-exempt status.

Alternates

The nomination for a new appointment to the Task Force should include the nomination of an alternate representative who can participate in the case of the primary member's lack of availability for a meeting or tasks. An alternate's participation will not count towards the

participation of the primary member and should the primary member cease to serve or qualify to serve, the alternate does not become a replacement. The alternate representative's experience and qualifications should be commensurate with the functions of the Task Force, and not ministerial, such as a professional or administrative assistant.

Expiration of Task Force Membership or Removal

In the case of an elected or an appointed Tribal representative no longer holding office in a Tribal government, or a Tribal designated employee no longer employed by the Tribal government, the Tribal representative must give notice to the Task Force and his/her seat on the Task Force expires immediately with the expiration of their elected or appointed term, or period of employment, in the case of a designated employee. Task Force members who do not attend at least one in-person meeting and participate in at least two teleconferences a year will be removed from the Task Force. Members of the Task Force who fail to disclose any interests in, or connections to, persons or entities that are or will be regulated by, or who have interests before, the Commission, will be removed from the Task Force.
