**PUBLIC SAFETY AND HOMELAND SECURITY BUREAU ANNOUNCES
REGION 34 (OKLAHOMA) REGIONAL PLANNING COMMITTEES
TO HOLD 700 MHZ AND 800 MHZ MEETINGS**

PR Docket No. 93-78 and WT Docket 02-378

The Region 34 (Oklahoma) Regional Planning Committees (RPCs) will hold two consecutive planning meetings on Monday, October 7, 2019. Beginning at 10:00 a.m., the 700MHz RPC will convene at the Marriott Tulsa Hotel Southern Hills, Magnolia Room, 1902 East 71st Street, Tulsa, OK 74136. Immediately following the 700 MHz RPC meeting, the 800 MHz RPC will convene at the same location.

The agenda for both meetings includes:

- Call to Order – Scott Walsh
- Old Business
- New Business
- Adjourn

Both Region 34 RPC meetings are open to the public. All eligible public safety providers in Region 34 may utilize these frequencies. It is essential that eligible public safety agencies in all areas of government, including state, municipality, county, and Native American Tribal be represented in order to ensure that each agency's future spectrum needs are considered in the allocation process. Administrators who are not oriented in the communications field should delegate someone with this knowledge to attend, participate, and represent their agency's needs.

All interested parties wishing to participate in the planning for the use of public safety spectrum in the 700 MHz, 800 MHz, and 4.9 GHz bands within Region 34 should plan to attend. For further information, please contact:

Scott Walsh, Chairperson/Communications Coordinator
