FCC ANNOUNCES WORKING GROUP MEMBERS OF THE COMMUNICATIONS SECURITY, RELIABILITY, AND INTEROPERABILITY COUNCIL

By this Public Notice the Federal Communications Commission (FCC or Commission) announces the members who will serve on the six working groups of the Communications Security, Reliability, and Interoperability Council VII (CSRIC VII). The members of the six working groups are listed in the appendix.

The CSRIC is organized under, and operates in accordance with, the provisions of the Federal Advisory Committee Act (FACA).[1] The CSRIC's mission is to provide advice and recommendations to the Commission to improve the security, reliability, and interoperability of the nation's communications systems. At a meeting on September 17, 2019, the CSRIC VII working groups chairs announced their membership.

More information on CSRIC can be found at https://www.fcc.gov/about-fcc/advisory-committees/communications-security-reliability-and-interoperability-council-vii. You may also contact Suzon Cameron, Designated Federal Official for CSRIC VII at (202) 418-1916 (voice) or Suzon.Cameron@fcc.gov (e-mail) or Kurian Jacob, Deputy Designated Federal Official for CSRIC VII at (202) 418-2040 (voice) or Kurian.Jacob@fcc.gov (e-mail).
