Petition for Declaratory Ruling Under Section 310(b)(4)

The Applicants have filed a petition for declaratory ruling (Petition) pursuant to section 310(b)(4) of the Communications Act of 1934, as amended, 47 U.S.C. § 310(b)(4), and section 1.5000(a)(1) of the Commission's rules, 47 CFR § 1.5000(a)(1), to permit post-transaction foreign ownership of CUB Holdings, the direct controlling U.S. parent of common carrier point-to-point microwave licensees, CUB, Network USA, and Detel, to exceed the 25% benchmark specified in section 310(b)(4) of the Act.

As described above and in the Petition, upon consummation of the proposed transaction, the Licensees would remain direct and indirect wholly-owned subsidiaries of CUB Holdings and CUB Parent, respectively. Equity and voting interests in CUB Parent would be owned 25.5% by CSC CUB Holdings, up to 23.2% by EagleCrest CUB, 49.99% by APG US, and 1.4% by management personnel of CUB Holdings.³⁰ The Petition states that both CSC CUB Holdings and EagleCrest CUB would be 100%-controlled by the same general partner, EagleCrest CUB GP, a Canada corporation, whereas APG US would be indirectly wholly owned and controlled by Stichting Pensioenfonds ABP (SPF ABP), a Netherlands pension fund.³¹ Under a shareholders' agreement by and among CSC CUB Holdings, EagleCrest CUB LP, APG US, and CUB Parent, EagleCrest CUB GP and APG US would indirectly exercise negative control over CUB Parent.³²

According to the Petition, the ultimate operating control of EagleCrest CUB GP is exercised by Fiera Infrastructure Inc. (Fiera), a Canada corporation.³³ Fiera Capital Corporation, also a Canada corporation, is the immediate parent of Fiera and is indirectly controlled by Mr. Jean-Guy Desjardins, a Canadian citizen.³⁴ The ultimate operating control of APG US is exercised by its non-member manager, APG Asset Management US Inc. (AGP Asset Management US), a Delaware corporation. AGP Asset Management US, in turn, is indirectly owned and controlled by SPF ABP. The Petition states that APG Infrastructure Pool 2020-2021, a Netherlands investment pool that is 99.4% owned and controlled by SPF APB, would hold 100% equity interest in APG US as the sole member.

Upon completion of the proposed transaction, CUB Holdings would have aggregate indirect foreign equity and voting interests of 100%. Pursuant to section 1.5001(i) of the rules, the Petition requests that the Commission specifically approve the direct and/or indirect foreign equity and/or voting interests that would be held in CUB Holdings upon completion of the proposed transaction by foreign-organized entities and foreign individuals as follows:³⁵
