NOTICE OF REMOVAL OF DOMESTIC SECTION 214 APPLICATION FROM STREAMLINED TREATMENT

WC Docket No. 19-382

The Wireline Competition Bureau (Bureau) has removed the application listed in this notice from streamlined treatment pursuant to the Commission's streamlined procedures for domestic section 214 transfer of control applications.¹ Section 63.03(c)(1)(v) of the Commission's rules provides that, at any time after an application is filed, the Commission, acting through the Chief of the Bureau, may notify an applicant that its application is being removed from streamlined processing where the Commission "determines that the application requires further analysis to determine whether a proposed transfer of control would serve the public interest."²

Domestic Section 214 Application Filed for the Acquisition of Certain Assets of iBasis, Inc. by Miron Enterprises, LLC, WC Docket No. 19-382, Public Notice, DA 20-72 (WCB 2019).

On January 21, 2020, the U.S. Department of Justice, with the concurrence of the U.S. Department of Homeland Security and the U.S. Department of Defense (collectively, Agencies), filed a letter requesting that the Commission defer action on WC Docket No. 19-382 while they complete their review of any national security, law enforcement, and public safety issues.³ We remove this application from streamlined review in response to the request filed by the Agencies. Final action on this application should be expected after the Commission has received notification from the Agencies that they have completed their evaluation, but not later than 180 days from public notice that the application was accepted for filing.⁴
