## **DOMESTIC SECTION 214 APPLICATION FILED FOR THE TRANSFER OF CONTROL OF ALLO COMMUNICATIONS LLC TO SDC ALLO HOLDINGS, LLC**

### **STREAMLINED PLEADING CYCLE ESTABLISHED**

**WC Docket No. 20-354**

**Comments Due: November 23, 2020**  
**Reply Comments Due: November 30, 2020**

By this Public Notice, the Wireline Competition Bureau seeks comment from interested parties on an application filed by Nelnet, Inc., (Nelnet), ALLO Communications LLC (ALLO), and SDC Allo Holdings, LLC (SDC-AH) (collectively, Applicants), pursuant to section 214 of the Communications Act of 1934, as amended, and sections 63.03-04 of the Commission's rules, requesting consent to transfer control of ALLO as described below.<sup>1</sup>

ALLO, a Nebraska limited liability company, is majority owned by Nelnet, a publicly traded Nebraska corporation that does not provide telecommunications services. ALLO offers competitive local exchange carrier, long distance, broadband, and other services in Nebraska and Colorado. ALLO currently provides gigabit fiber service in Scottsbluff, Gering, Bridgeport, North Platte, Ogallala, Alliance, Hastings, Imperial, Norfolk, Lincoln, and the Ashland Lakes Area in Nebraska and Breckenridge and Fort Morgan in Colorado.

SDC-AH, a Delaware limited liability company created for the purpose of this proposed transaction, is a holding company with no operations. SDC-AH is owned by investment funds controlled by an affiliate of SDC Capital Partners LLC (SDC), a New York investment firm. SDC-AH is ultimately and indirectly held by SDC GP Manager, LLC, a Delaware limited liability company, with a sole member, Todd Aaron, a U.S. citizen.<sup>2</sup> Applicants state that SDC-AH does not own or control a 10% or greater direct or indirect interest in any domestic interstate telecommunications carrier.

Pursuant to the terms of the Membership Unit Purchase Agreement, SDC-AH will acquire preferred membership units in ALLO (Acquisition) that will represent approximately 48% of the

<sup>1</sup> See 47 U.S.C. § 214; 47 CFR §§ 63.03-04. Applicants also filed applications for the transfer of authorizations associated with international authorizations. Any action on this domestic section 214 application is without prejudice to Commission action on other related, pending applications.

<sup>2</sup> Applicants provided a description of the SDC-AH's ownership in their application.

voting membership of ALLO when the preferred membership units convert to voting membership units upon receipt of all required regulatory approvals. Pursuant to the terms of the Ninth Amended and Restate Operating Agreement (Operating Agreement), until all required regulatory approvals are obtained, Nelnet retains voting control of ALLO and the ability to appoint a majority of ALLO's Board of Managers. The Applicants state that following receipt of required regulatory approvals, the Operating Agreement provides that SDC-AH's membership units will automatically convert from non-voting to voting units, and ALLO's Board of Managers will increase from five to up nine managers with SDC-AH and Nelnet each appointing three managers, and after one year, up to two mutually agreed upon independent managers (the Conversion). Bradley A. Moline, cofounder of ALLO and its current President, will also have a seat on ALLO's Board of Managers. As a result of the Conversion, Nelnet will no longer have a controlling interest in ALLO since it will control less than 50% of the voting membership interests and less than 50% of the Board of Managers.<sup>3</sup>

Applicants request streamlined treatment of the proposed transaction under the Commission's rules and assert that a grant of the application would serve the public interest, convenience, and necessity. We accept this application for filing under section 63.03(b)(1)(ii) of the Commission's rules.<sup>4</sup>

Submissions after the pleading cycle has closed that seek to raise new issues based on new facts or newly discovered facts should be filed within 15 days after such facts are discovered. Absent such a showing of good cause, any issues not timely raised may be disregarded by the Commission.
