MB Docket No. 20-343

Comment Date: November 20, 2020
Reply Comment Date: November 30, 2020

On October 19, 2020, the Commission released a Public Notice seeking comment on the proposed application limit for new noncommercial educational (NCE) FM station applications to be filed in the application filing window projected to open in 2021.¹ The Commission sought comment on its tentative conclusion that there should be a ten-application limit for any applicant in the 2021 NCE new station filing window, and further that no party should have an attributable interest in more than ten applications filed in the NCE window. The *NCE Application Limit PN* set deadlines for filing comments and reply comments at 15 and 25 days, respectively, after publication in the Federal Register.²

By this *Public Notice*, the Media Bureau announces that the *NCE Application Limit PN* was published in the Federal Register on November 5, 2020.³ Comments must be submitted no later than November 20, 2020. Reply Comments must be submitted no later than November 30, 2020. Commenters should follow the filing instructions provided in paragraph 10 of the *NCE Application Limit PN*.⁴ The *NCE Application Limit PN* is also available on the Commission's website.⁵
