By this Public Notice, the Chairman of the Federal Communications Commission (FCC or Commission) announces the renewal of the Charter of the Commission’s Consumer Advisory Committee (CAC or Committee) for an eleventh two-year term and the appointment of Committee members, including its Chair and Vice Chair. The CAC is organized under, and operated in accordance with, the Federal Advisory Committee Act and provides advice and recommendations to the Commission on a wide array of consumer matters specified by the Commission.\(^1\)

On July 7, 2020, the Commission solicited applications for membership for the CAC’s eleventh term, and subsequently the Committee’s Charter was renewed for a two-year term, effective October 16, 2020.\(^2\) After careful consideration of the applications and nominations for membership received, the Chairman has selected 29 members for the CAC’s eleventh term, as listed below. The membership consists of a diverse mix of non-profit organizations representing consumers, communications companies and trade associations, regulators, and other stakeholders, as well as three individuals serving on their own behalf and functioning as Special Government Employees. A full list of appointees is set forth below.

Scott Marshall, Attorney-Advisor, Consumer Policy Division, Consumer and Governmental Affairs Bureau (CGB), will continue to serve as the Designated Federal Officer (DFO), and Gregory V. Haledjian, Legal Advisor, Office of the Bureau Chief, CGB, will continue to serve as Deputy Designated Federal Officer (DDFO).

During the Committee’s eleventh term, it is anticipated that the Committee will hold at least three full-day meetings per year. In addition, as needed, working groups or subcommittees will be established to facilitate the Committee’s work between meetings of the full Committee on consumer-related matters specified by the Commission.

The first meeting of the CAC under its renewed charter will take place on Monday, February 22, 2021, from 10:30 A.M. to 2:00 P.M. This meeting is open to members of the general public and will be held via the Zoom Conferencing Platform due to the COVID-19 pandemic.

The meeting can be viewed live by the public at http://www.fcc.gov/live. The public may also
