CONSUMER AND GOVERNMENTAL AFFAIRS BUREAU DISMISSES NINE PETITIONS FOR PREEMPTION OF STATE CONSUMER PROTECTION REQUIREMENTS

CG Docket No. 02-278

To efficiently resolve issues that are no longer contested, the Consumer and Governmental Affairs Bureau (Bureau) announces through this Public Notice the dismissal of nine petitions for preemption of state consumer protection requirements.

On September 23, 2020, the Bureau released a *Public Notice* providing petitioners notice of, and an opportunity to object to, the Bureau's plan to dismiss with prejudice ten pending petitions for preemption of state consumer protection requirements.¹ No entities had filed comments or *ex parte* submissions regarding any of the ten petitions for several years.²

The Bureau received no objections to the dismissal of the nine petitions identified in the chart below. In the absence of any objections and in light of both federal and state regulatory changes that have occurred since those petitions were filed, we continue to believe that the relief sought in these nine petitions is moot or otherwise no longer relevant,³ and we therefore dismiss those petitions with prejudice.
