Instructions

- 1) Who Must Respond to this Questionnaire:** A Petitioner that seeks to obtain (a) a section 310(b)(4) foreign ownership ruling in connection with an application for a new broadcast license or (b) a new or modified 310(b)(4) foreign ownership ruling in connection with an application for assignment, transfer of control, or other change in ownership or control of the Licensee must respond to this questionnaire. In the case of (b), a Petitioner must provide information pertaining to the post-transaction ownership, structure, and operations of the Licensee and Relevant Parties. As used in this questionnaire, the term "Licensee" refers to both an Applicant for a broadcast license and an existing licensee.
- 2) Complete all Sections:** When a "Yes" answer is indicated, provide further information as appropriate. The questions seek further details regarding the Applicant and security-related practices and some questions are particularly directed at identifying and assessing the complete scope of the equipment that the Applicant will be operating and the services the Applicant will be offering should the FCC grant those authorities. Accordingly, in answering the "Section V: Licensee Services" questions, the Applicant(s) must file complete and accurate responses.
- 3) Response Format:** Uniquely and sequentially Bates-number your responses to the standard questions, including any attachments, with an endorsement on each page. The Bates number must be a unique, consistently formatted identifier; the number of digits in the numeric portion of the format

should not change in subsequent productions, if any, nor should spaces, hyphens, or other separators be added or deleted. Produce any Excel documents in native format (if desired, you may also produce a PDF version for record keeping purposes).

- 4) **Identify Sensitive Information:** Specifically identify answers or documents that you deem to be privileged or confidential as the information contains trade secrets or commercial or financial information. If there are multiple petitioners, each petitioner should also clearly mark any answers or documents that contain sensitive information that should not be disclosed to the other petitioners. Personally Identifiable Information (PII) may be submitted in a separate attachment. The PII Supplement is Attachment G.
- 5) **Individuals' names:** For names that follow different naming conventions, such as the use of surnames as first names (e.g., Korean names), or the use of mother's last name as one of two last names that are often hyphenated (e.g., Spanish names), follow standard English convention for purposes of completing this information. For example, if the name is Kim Chul-su, write "Chul-su Kim" in the form. If the name in Spanish is Juan Garcia-Reyes, write "Juan Garcia Reyes."
- 6) **Residential Addresses:** Contract mail receipt locations, post office boxes, co-working or shared virtual locations may not be used in lieu of residence addresses.
- 7) **Business Addresses:** For each business address, clearly indicate whether the address is a shared business venue, co-working location, virtual office, or traditional physical office.
- 8) **Obligation to Update:** The Applicant must inform the Committee if there is any material change to any of the information provided in the Applicant's responses while the Committee's review is ongoing, including, but not limited to, changes in ownership and equipment.
- 9) **Definitions** – These terms, as used in this questionnaire, have the following definitions:
 - A "Controlling Interest" is generally a 50% or greater Ownership Interest (either equity or voting). Also, a Controlling Interest shall be determined on a case-by-case basis considering the distribution of ownership, and the relationships of the owners, including family relationships. The term Controlling Interest includes Individuals or Entities with positive or negative *de jure* or *de facto* control of the Applicant/Licensee. *De jure* control includes holding 50% or more of the voting stock of a corporation or holding a general partnership interest in a partnership. Ownership Interests that are held indirectly by any party through one or more intervening corporations may be determined by successive multiplication of the ownership percentages for each link in the vertical ownership chain except that if the ownership percentage for an interest in any link in the chain is equal to or exceeds 50% or represents actual control, it may be treated as if it were a 100% interest. *De facto* control is determined on a case-by-case basis. Examples of *de facto*, or actual, control include constituting or appointing 50% or greater of the board of directors or management committee; having authority to appoint, promote, demote, and fire senior executives that control the day-to-day activities of the Applicant/Licensee; or playing an integral role in management decisions.
