ORDER

Adopted: January 13, 2020

Released: January 13, 2020

By the Chief, Enforcement Bureau:

1. The Commission takes seriously its role in ensuring that antenna structures do not pose a hazard to air traffic. Monitoring lighting on these structures on a daily basis is a potentially life-saving measure critical to public safety. The Enforcement Bureau (Bureau) of the Federal Communications Commission has entered into a Consent Decree to resolve its investigation into Cordillera Communications, LLC (Cordillera), predecessor-in-interest to Scripps Broadcasting Holdings LLC (Scripps), with respect to 11 antenna structures. Specifically, the Bureau's investigated whether Cordillera violated section 303(q) of the Communications Act of 1934, as amended (Act), and sections 17.47(a), 17.49, and 17.57 of the Commission's rules by failing to conduct required daily inspections of the lighting systems of 10 antenna structures, by failing to completely log 12 lighting failures at seven antenna structures, and by failing to timely notify the Commission of its acquisition of two antenna structures. To settle this matter, Scripps has agreed to implement a compliance plan and will pay a \$1,130,000 civil penalty. This action will help promote aviation safety near antenna structures.

2. After reviewing the terms of the Consent Decree and evaluating the facts before us, we find that the public interest would be served by adopting the Consent Decree and terminating the

1 In acquiring certain Cordillera subsidiaries, Scripps agreed to remain responsible in any enforcement actions arising out of the Bureau's investigation. See infra, Consent Decree, para. 6.

2 The 11 antenna structures are 1000138 (Great Falls, Montana), 1000681 (Bozeman, Montana), 1001064 (Billings, Montana), 1018365 (San Luis Obispo, California), 1020938 (Kaplan, Louisiana), 1043247 (Lexington, Kentucky), 1045870 (Blanconia, Texas), 1045871 (Robstown, Texas), 1055958 (Bishop, Texas), 1250854 (Billings, Montana), and 1254898 (Branch, Louisiana).

referenced investigation regarding Cordillera's compliance with section 303(q) of the Act⁵ and sections 17.47(a), 17.49, and 17.57 of the Commission's rules.⁶

3. In the absence of material new evidence relating to this matter, we do not set for hearing the question of Scripps's basic qualifications to hold or obtain any Commission license or authorization.⁷

4. Accordingly, **IT IS ORDERED** that, pursuant to section 4(i) of the Act⁸ and the authority delegated by sections 0.111 and 0.311 of the Commission's rules,⁹ the attached Consent Decree **IS ADOPTED** and its terms incorporated by reference.

5. **IT IS FURTHER ORDERED** that the above-captioned matter **IS TERMINATED**.

CONSENT DECREE

1. The Commission takes seriously its role in ensuring that antenna structures do not pose a hazard to aviation safety. Regular, consistent monitoring of antenna structure lighting systems is potentially a life-saving measure, as it ensures that owners quickly learn of—and can correct—malfunctioning obstruction lights. The Enforcement Bureau of the Federal Communications Commission and Scripps, by their authorized representatives, hereby enter into this Consent Decree for the purpose of terminating the Enforcement Bureau’s investigation into whether subsidiaries of Cordillera, Scripps’s predecessor-in-interest to the Kaplan Structure and the Antenna Structures, violated section 303(q) of the Act and sections 17.47(a), 17.49, and 17.57 of the Rules by failing to conduct required daily inspections of the lighting systems of the Kaplan Structure and nine of the 10 Antenna Structures, by failing to maintain complete records of twelve 12 lighting failures at seven of the Antenna Structures, and by failing to timely notify the Commission of its acquisition of two of the Antenna Structures. To resolve this matter, Scripps agrees to implement a compliance plan and pay a \$1,130,000 civil penalty. This action will help promote aviation safety near antenna structures.

II. BACKGROUND

3. The Part 17 Rules are designed to ensure that antenna structures do not pose a hazard to aviation safety. Section 303(q) of the Act states that a “permittee or licensee, and the tower owner in any case in which the owner is not the permittee or licensee, shall maintain the painting and/or illumination of the tower as prescribed by the Commission.”² Section 17.47(a) of the Part 17 Rules requires antenna structure owners to monitor the status of a structure’s lighting system by either (1) making “an observation of the antenna structure's lights at least once each 24 hours either visually or by observing an automatic properly maintained indicator designed to register any failure of such lights” or (2) by “provid[ing] and properly maintain[ing] an automatic alarm system designed to detect any failure of such lights and to provide indication of such failure to the owner.”³ Section 17.49 of the Part 17 Rules obligates the “owner of each antenna structure which is registered with the Commission . . . [to] maintain a record of any observed or otherwise known extinguishment or improper functioning of a structure light” and specifies the required contents of such records.⁴ Section 17.57 of the Part 17 Rules states that “the [antenna structure] owner must also notify the Commission within 5 days of any change in structure height or change in ownership information.”⁵

4. On the morning of August 31, 2018, a small aircraft collided with the Kaplan Structure. At the time of the collision, the Kaplan Structure was registered to KATC Communications, LLC, which, prior to the consummation of the transactions contemplated by the Transfer of Control Applications, was a subsidiary of Cordillera. In the days following, the Bureau joined other federal and local agencies investigating the collision and the collapse of the Kaplan Structure. Although the Bureau ultimately found no evidence connecting the collision to a violation of the Part 17 Rules by Cordillera, in the fall of 2018, the Bureau found irregularities in Cordillera’s compliance with the Part 17 Rules that warranted an expansion of the Investigation.

5. On November 5, 2018, the Bureau issued the LOI seeking information about Cordillera’s compliance with the Part 17 Rules at each antenna structure registered to its subsidiaries. In reviewing the LOI Response, the Bureau observed other compliance irregularities at the Kaplan Structure and the 10 Antenna Structures. Specifically, the LOI Response disclosed numerous, sometimes longstanding, irregularities in the monitoring of the lighting systems for the Kaplan Structure and nine of the 10

Antenna Structures, failures to maintain complete records of 12 lighting failures at seven of the Antenna Structures, and failures to timely notify the Commission of Cordillera's acquisition of two of the Antenna Structures.⁶ In the LOI Response, Cordillera also affirmed that it had addressed the disclosed irregularities. Nothing in the LOI Response pertaining to Cordillera's compliance with the Part 17 Rules indicated that the collision resulted from Cordillera's violation of the Communications Laws.

6. Although the Investigation was focused on Cordillera's acts and omissions, Cordillera is not a party to this Consent Decree. On October 27, 2018, Scripps Media and Cordillera entered into an agreement by which Scripps Media would acquire all of the equity interests in 10 of Cordillera's 11 license subsidiaries. On November 9, 2018, the Cordillera and Scripps Media filed the Transfer of Control Applications with the Media Bureau, and on November 13, 2018, Scripps Media and Scripps filed the *Pro Forma* Assignment Applications with the Media Bureau. Because of the scope of the Bureau's ongoing investigation, coupled with Scripps Media's and Cordillera's desire to complete their proposed transaction, the parties executed the Agreement on April 2, 2019. In the Agreement, Scripps Media and Scripps agreed, following the consummation of the transactions contemplated by the Transfer of Control Applications, to accept liability with respect to the Investigation and to toll the applicable statute of limitations for a period of two years. On April 5, 2019, the Media Bureau granted the Transfer of Control Applications and the *Pro Forma* Assignment Applications, and the parties consummated their transactions on May 1, 2019.

7. Subsequently, the Bureau and Scripps negotiated the following terms and conditions of settlement and hereby enter into this Consent Decree.

III. TERMS OF AGREEMENT

8. **Adopting Order.** The provisions of this Consent Decree shall be incorporated by the Bureau in an Adopting Order.

In consideration for the termination of the Investigation, Scripps agrees to the terms, conditions, and procedures contained herein. The Bureau further agrees that, in the absence of new material evidence, it will not use the facts developed in the Investigation through the Effective Date, or the existence of this Consent Decree, to institute any new proceeding on its own motion against Scripps concerning the matters that were the subject of the Investigation, or to set for hearing the question of Scripps's basic qualifications to be a Commission licensee or hold Commission licenses or authorizations.⁷

12. **Compliance Officer.** Within thirty (30) calendar days after the Effective Date, Scripps shall designate a senior corporate manager with the requisite corporate and organizational authority to serve as a Compliance Officer and to discharge the duties set forth below. As part of the Compliance Training Program, Covered Employees shall be advised of Scripps's obligation to report any material noncompliance with the Part 17 Rules under paragraph 14 of this Consent Decree and shall be instructed on how to disclose noncompliance to the Compliance Officer. All Covered Employees shall be trained pursuant to the Compliance Training Program within sixty (60) calendar days after the Effective Date, except that any person who becomes a Covered Employee at any time after the initial Compliance Training Program shall be trained within thirty (30) calendar days after the date such person becomes a Covered Employee. Scripps shall repeat compliance training on an annual basis, and shall periodically review and revise the Compliance Training Program as necessary to ensure that it remains current and complete and to enhance its effectiveness.

14. **Reporting Noncompliance.** Scripps shall report any material noncompliance with the Part 17 Rules with respect to any Antenna Structures and with the terms and conditions of this Consent Decree within fifteen (15) calendar days after discovery of such material noncompliance. Such reports shall include a detailed explanation of: (i) each instance of material noncompliance; (ii) the steps that Scripps has taken or will take to remedy such noncompliance; (iii) the schedule on which such remedial actions will be taken; and (iv) the steps that Scripps has taken or will take to prevent the recurrence of any such noncompliance. All reports of noncompliance shall be submitted to the Office of the Field Director, Enforcement Bureau, Federal Communications Commission, 445 12th Street, SW, Washington DC 20554, with a copy submitted electronically to matthew.gibson@fcc.gov and field@fcc.gov.

- (a) Each Compliance Report shall include a detailed description of Scripps's efforts during the relevant period to comply with the terms and conditions of this Consent Decree and the Part 17 Rules with respect to the Antenna Structures. In addition, each Compliance Report shall include a certification by the Compliance Officer, as an agent of and on behalf of Scripps, stating that the Compliance Officer has personal knowledge that Scripps: (i) has established and implemented the Compliance Plan; (ii) has utilized the Operating Procedures since the implementation of the Compliance Plan; and (iii) is not aware of any instances of noncompliance with the terms and conditions of this Consent Decree, including the reporting obligations set forth in paragraph 14 of this Consent Decree.
- (b) The Compliance Officer's certification shall be accompanied by a statement explaining the basis for such certification and shall comply with section 1.16 of the Rules and be subscribed to as true under penalty of perjury in substantially the form set forth therein.⁸
- (c) If the Compliance Officer cannot provide the requisite certification, the Compliance Officer, as an agent of and on behalf of Scripps, shall provide the Commission with a detailed explanation of the reason(s) why and describe fully: (i) with respect to any Antenna Structure, each instance of material noncompliance with the terms and conditions of this Consent Decree or the Part 17 Rules; (ii) the steps that Scripps has taken or will take to remedy such noncompliance, including the schedule on which proposed remedial actions will be taken; and (iii) the steps that Scripps has taken or will take to prevent the recurrence of any such noncompliance, including the schedule on which such preventive action will be taken.
- (d) All Compliance Reports shall be submitted to the Office of the Field Director, Enforcement Bureau, Federal Communications Commission, 445 12th Street, SW, Washington DC 20554, with a copy submitted electronically to matthew.gibson@fcc.gov and field@fcc.gov.

16. **Termination Date.** Unless stated otherwise, the requirements set forth in paragraphs 12 through 15 of this Consent Decree shall expire on the later of (a) the submission of the final compliance report contemplated in paragraph 15, and (b) twenty-four (24) months after the Effective Date.

25. **Final Settlement**. The Parties agree and acknowledge that this Consent Decree shall constitute a final settlement between the Parties with respect to the Investigation. The Parties further agree that this Consent Decree does not constitute either an adjudication on the merits or a factual or legal finding regarding any compliance or noncompliance with the requirements of the Communications Laws.

26. **Modifications**. This Consent Decree cannot be modified without the advance written consent of both Parties.

27. **Paragraph Headings**. The headings of the paragraphs in this Consent Decree are inserted for convenience only and are not intended to affect the meaning or interpretation of this Consent Decree.
