ITC-MOD-20200221-00034 E AT&T Mobility Puerto Rico Inc.

Modification

Grant of Authority

Date of Action: 04/01/2020

Application to modify international section 214 authorization ITC-214-19980430-00923 by removing AT&T Mobility Puerto Rico Inc. (AMPR) as one of the co-holders of the authorization. The authorization is for overseas cable construction for the Americas-II cable system that connects Florida, Puerto Rico, the U.S. Virgin Islands, Martinique, Curacao, Trinidad, Venezuela, French Guiana, and Brazil and is operated on a common carrier basis.

AMPR states that it no longer holds any interest in Americas-II. It explains that although it held two percent voting and ownership interests in Americas-II, on October 4, 2013 it conveyed its rights and obligations under the Americas-II Cable System Construction and Maintenance Agreement to AT&T Corp., its affiliate company. Both AMPR and AT&T Corp. (a co-authorization holder on ITC-214-19980430-00923) are wholly owned by AT&T Inc.

AT&T Inc. has agreed to sell AMPR to Liberty Latin America Ltd. See Liberty Latin America Ltd. And AT&T Inc. Seek FCC Consent To The Transfer Of Control Of The Licenses, Authorizations, And Spectrum Lease Held By AT&T Mobility Puerto Rico Inc. And AT&T Mobility USVI Inc. To Liberty Latin America Ltd., WT Docket No. 19-384, Pleading Cycle Established, Public Notice, 34 FCC Rcd 12502 (WTB/WCB/IB 2019). Since AMPR will not be affiliated with AT&T Corp. once that transaction closes, AMPR has decided to be removed as an authorization holder for the international 214 for Americas-II. AMPR has also filed an application to relinquish its interest in the cable landing license for the Americas-II cable, SCL-LIC-19980429-00019 (Old File No. SCL-98-003). See SCL-MOD-20191202-00038.

Transfer of Control

Grant of Authority

Date of Action: 04/01/2020

Current Licensee: Flock FZ-LLC

FROM: Directi Web Technologies Holdings

TO: Rivze Holdings Inc

Application filed for consent to the transfer of control of Flock FZ-LLC f/k/a Riva FZC (Flock), which holds international section 214 authorization ITC-214-20140128-00033, from its indirect parent, Directi Web Technologies FZC (DWT), to Rivze Holdings Inc. (Rivze). Flock, a UAE limited liability company, is an indirect subsidiary of Riva Technologies Inc (Riva), a British Virgin Islands corporation. Riva is a wholly owned subsidiary of DWT, a UAE company, that is wholly owned by Divyank Turakhia, a citizen of India. On January 30, 2018, without prior Commission consent, Bhavin Turakhia, a citizen of India, acquired the outstanding and issued shares of Riva from Divyank Turakhia. Riva is now a wholly owned subsidiary of Rivze, which is wholly owned by Bhavin Turakhia. Consequently, Flock is now indirectly owned and controlled by Rivze.

Applicants filed multiple requests for Special Temporary Authority (STA) related to this transaction. The most recent one, ITC-STA-20191126-00188, was granted on February 10, 2020.

We grant the Petition to Adopt Conditions to Authorizations and Licenses (Petition) filed in this proceeding on March 30, 2020, by the U.S. Department of Justice (DOJ). Accordingly, we condition grant of this transfer of control application on compliance by Flock FZ-LLC with the commitments and undertakings set forth in the Letter of Agreement from Brijesh Joshi, Director, Flock FZ-LLC., to the Assistant Attorney General for National Security, DOJ, dated March 29, 2020 (LOA). A failure to comply and/or remain in compliance with any of these commitments and undertakings shall constitute a failure to meet a condition of this authorization and thus grounds for declaring the underlying international section 214 authorization terminated without further action on the part of the Commission. Failure to meet a condition of the authorization may also result in monetary sanctions or other enforcement action by the Commission. The Petition and the LOA may be viewed on the FCC's website through the International Bureau Filing System by searching for ITC-T/C-20190319-00090 and accessing the "Other Filings related to this application" from the Document Viewing Area.

This authorization is without prejudice to the Commission's action in any other related pending proceedings.

Grant of this application is without prejudice to any enforcement action by the Commission for non-compliance with the Communications Act of 1934, as amended, or the Commission's rules.
