**ORDER**

**Adopted: April 9, 2020**

**Released: April 9, 2020**

By the Chief, Media Bureau:

1. In this Order, the Media Bureau waives the requirement that broadcast stations scheduled to file an application for renewal of license on June 1, 2020, comply with pre-filing announcements, pursuant to sections 73.3580(d)(4)(i) and 73.3580(d)(5)(i)(A) of the Commission's rules.<sup>1</sup> This Order will alleviate administrative and compliance burdens on broadcast stations, enabling an increase in the broadcast of public service announcements and other coverage relating to the novel coronavirus (COVID-19) pandemic.

2. In the Commission's recent Further Notice of Proposed Rulemaking to revise the broadcast local public notice rule,<sup>2</sup> the Commission proposed, among other things, to eliminate pre-filing on-air announcements currently broadcast by license renewal applicants.<sup>3</sup> While the Commission has not yet acted on this proposal, no commenter opposed eliminating this requirement. Given the disruptions caused by COVID-19, including the significant loss of advertising revenue due to economic disruptions and the need to cover breaking news and air public service announcements relating to the pandemic, the Media Bureau has determined that good cause exists to relieve stations of the burden of scheduling and airing pre-filing announcements of their renewal applications, so they may focus on keeping the public informed of developments concerning the COVID-19 outbreak.

3. This Order applies only to those broadcast licensees whose licenses expire on October 1, 2020, with renewal applications to be filed by June 1, 2020. The Media Bureau will monitor the status of the COVID-19 outbreak to determine whether further relief is warranted. Broadcasters should note that this Order does not apply to required post-filing announcements under sections 73.3580(d)(4) and (d)(5)(i)(B) of the rules.<sup>4</sup>
