AGENDA FOR APRIL 28, 2020 MEETING OF THE ADVISORY COMMITTEE ON DIVERSITY AND DIGITAL EMPOWERMENT

GN Docket No. 17-208

By this Public Notice, the Federal Communications Commission (FCC) announces the anticipated agenda for the next meeting of the FCC's Advisory Committee on Diversity and Digital Empowerment (ACDDE) that will be held on Tuesday, April 28, 2020, from 10:00 a.m. to 4:00 p.m. The meeting will be conducted via conference call and will be available to the public via the Internet at www.fcc.gov/live.¹

As detailed in the attached agenda, the meeting will feature a report from each of the ACDDE's working groups.² The ACDDE's three working groups are: (1) *Access to Capital Working Group*, which examines ways to improve access to capital in order to encourage management and ownership of broadcast properties by a diverse range of voices, including minorities and women; (2) *Digital Empowerment and Inclusion Working Group*, which assesses access, adoption, and use of broadband and new technologies by under-resourced communities; and (3) *Diversity in the Tech Sector Working Group*, which examines issues pertaining to hiring, promotion, and retention of women and minorities in tech industries. This agenda may be modified at the discretion of the ACDDE Chair and the Designated Federal Officer.

The meeting will be conducted in a wholly telephonic and electronic format in light of travel restrictions and other concerns affecting members of the ACDDE and FCC staff related to the ongoing novel coronavirus (COVID-19) pandemic.³ The ACDDE meeting is available on the Internet via live feed from the FCC's web page at www.fcc.gov/live. The public may also follow the meeting on Twitter @fcc or via the Commission's Facebook page at www.facebook.com/fcc. Members of the public may submit any questions that arise during the meeting to livequestions@fcc.gov.

Open captioning will be provided for this event. Other reasonable accommodations for people with disabilities are available upon request. Requests for such accommodations should be submitted via
