Dear Ms. Victory:

This letter responds to the letter you filed on behalf of T-Mobile US, Inc. (T-Mobile) on May 29, 2020, regarding the condition imposed on T-Mobile and other U.S. subsidiaries of Deutsche Telekom AG (DT, collectively, the Companies) in the above captioned proceedings.¹ That condition required the Companies to comply with the terms of the Network Security Agreement, dated January 12, 2001, by and among DT, VoiceStream Wireless Communications, VoiceStream Wireless Holdings Corporation, on one hand, and the Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI), on the other

(2001 NSA).² You state in your letter that "[a]s a result of T-Mobile's recent merger with Sprint Corporation, the 2001 NSA has been terminated and the condition is now moot."⁶

On May 29, 2020, DOJ filed a letter notifying the Commission that the DOJ, FBI, and the DHS have no objection to T-Mobile's May 29, 2020 notice and confirmed that the 2001 NSA has been terminated.⁴

Based on the record, we find that the condition to comply with the 2001 NSA placed on T-Mobile and the other U.S. subsidiaries of DT in the above-captioned proceedings has been fulfilled.

Sincerely,
