ORDER

Adopted: August 5, 2020

By the Managing Director:

1. By this Order, the Commission’s rules are amended to reflect the new address of the Commission’s headquarters, 45 L Street, NE, Washington, DC 20554 in light of the Commission’s upcoming move to a new headquarters building.<sup>1</sup> In doing so, redundant references to the FCC’s address are deleted and replaced with a cross-reference to section 0.401 of the Commission’s rules.<sup>2</sup> This Order also makes changes to clarify that certain documents are now available for inspection through the Commission’s website,<sup>3</sup> removes references to a Commission copy contractor,<sup>4</sup> and performs minor formatting corrections.<sup>5</sup> Because the rule amendments adopted here are rules of agency practice and procedure, compliance with the notice and comment provisions of the Administrative Procedure Act is not required.

2. In a separate order released on May 28, 2020, the Commission’s rules were amended to reflect the new address for filing hand-carried documents at the FCC’s headquarters and establish a new closing time for accepting such filings.<sup>6</sup> Those changes remain in effect and are not impacted by the actions here.

3. Accordingly, pursuant to Sections 4(e) and 5(e) of the Communications Act of 1934, as amended, 47 U.S.C. §§ 154(e) and 155(d), IT IS ORDERED that the respective parts of the Commission’s Rules are AMENDED in the manner indicated in the attached appendix, to be effective 30 days after publication in the Federal Register.
