FCC ANNOUNCES THE NEXT MEETING OF THE NORTH AMERICAN NUMBERING COUNCIL

CC Docket No. 92-237

This Public Notice serves as notice that, consistent with the Federal Advisory Committee Act,¹ the Federal Communications Commission (FCC or Commission) announces the next meeting of the North American Numbering Council (NANC). The meeting will be held **Thursday, September 24, 2020, beginning at 9:30 a.m.**, via conference call and available to the public via the Internet at <http://www.fcc.gov/live>.

At this meeting, the NANC will consider and vote on a recommendation from the Call Authentication Trust Anchor Working Group on best practices that providers of voice service may use as part of the implementation of effective call authentication frameworks to ensure the calling party is accurately identified. These recommendations will facilitate the Commission's implementation of the Pallone-Thune Telephone Robocall Abuse Criminal Enforcement and Deterrence Act (TRACED Act). The NANC will also discuss the status of its working groups. This agenda may be modified at the discretion of the NANC Chair and the Designated Federal Officer (DFO).

The NANC meeting is open to the public on the Internet via live feed from the FCC's web page at <http://www.fcc.gov/live>. Open captioning will be provided for this event. Other reasonable accommodations for people with disabilities are available upon request. Requests for such accommodations should be submitted via e-mail to fcc504@fcc.gov or by calling the Consumer & Governmental Affairs Bureau at (202) 418-0530 (voice), (202) 418-0432 (TTY). Such requests should include a detailed description of the accommodation needed. In addition, please include a way for the FCC to contact the requester if more information is needed to fill the request. Please allow at least five days' advance notice for accommodation requests; last minute requests will be accepted, but may not be possible to accommodate.

Members of the public may submit comments to the NANC in the FCC's Electronic Comment Filing System, ECFS, at www.fcc.gov/ecfs. Comments to the NANC should be filed in CC Docket No. 92-237.
