ORDER

Adopted: September 2, 2020

Released: September 3, 2020

By the Deputy Chief, Enforcement Bureau:

1. Failing to maintain required lighting and marking of antenna structures and failing to notify the Federal Aviation Administration (FAA) of lighting failures can create a risk to aviation safety. Conversely, monitoring these structures on a daily basis is a potentially life-saving measure critical to public safety. The Enforcement Bureau (Bureau) of the Federal Communications Commission has entered into a Consent Decree to resolve its investigation into whether Pentecostal Temple Development Corporation (Pentecostal Temple) violated section 303(q) of the Communications Act of 1934, as amended (Act),1 and sections 17.23, 17.48(a), and 17.50 of the Commission’s rules2 by failing to properly light two antenna structures, failing to notify the FAA of lighting extinguishments, and failing to clean or repaint the antenna structures as often as necessary to maintain good visibility.3 To settle this matter, Pentecostal Temple: (a) admits to violating the Act and the Commission’s part 17 rules, (b) certifies that each antenna structure registered to it or from which it operates currently complies with the Commission’s part 17 rules, (c) agrees to pay a civil penalty of \$1,900, and (d) agrees to enter into a compliance plan. This action will promote aviation safety near antenna structures.

2. After reviewing the terms of the Consent Decree and evaluating the facts before us, we find that the public interest would be served by adopting the Consent Decree, terminating the referenced investigation, cancelling the Notice4, and rescinding the Forfeiture Order5 regarding Pentecostal Temple’s failure to comply with the Commission’s rules pertaining to the lighting and maintenance of antenna structures under section 303(q) of the Act6 and sections 17.23, 17.48(a), and 17.50 of the Commission’s rules.7

3. In the absence of material new evidence relating to this matter, we do not set for hearing the question of Pentecostal Temple's basic qualifications to hold or obtain any Commission license or authorization.<sup>8</sup>

4. Accordingly, **IT IS ORDERED** that, pursuant to sections 4(i) and 503(b) of the Act<sup>9</sup> and the authority delegated by sections 0.111 and 0.311 of the Commission's rules,<sup>10</sup> the attached Consent Decree **IS ADOPTED** and its terms incorporated by reference.

## II. BACKGROUND

3. The Part 17 Rules are designed to ensure that antenna structures do not pose a hazard to aviation safety. Section 303(q) of the Act states that a “permittee or licensee, and the tower owner in any case in which the owner is not the permittee or licensee, shall maintain the painting and/or illumination of the tower as prescribed by the Commission.”<sup>9</sup> Section 17.23 of the Part 17 Rules provides that antenna structures that are subject to the Part 17 Rules “must be painted and lighted in accordance with any painting and lighting requirements prescribed on the antenna structure’s registration, or in accordance with any other specifications provided by the Commission.”<sup>10</sup> Section 17.48(a) of the Part 17 Rules requires that owners of antenna structures immediately report to the FAA “any observed or otherwise known extinguishment or improper functioning of any top steady burning light or any flashing obstruction light, regardless of its position on the antenna structure, not corrected within 30 minutes.”<sup>11</sup> Section 17.50 of the Part 17 Rules states that “[a]ntenna structures requiring painting . . . shall be cleaned or repainted as often as necessary to maintain good visibility.”<sup>12</sup>

4. On October 14, 2015, Bureau agents investigated the Inspected Antenna Structures in response to an anonymous complaint about compliance with the Part 17 Rules. The agents observed that the paint on the Inspected Antenna Structures was faded and chipped, significantly reducing the Inspected Antenna Structures’ visibility. On January 5, 2016, an agent returned to the site to further investigate the Inspected Antenna Structures and observed lighting outages at both structures. On February 9, 2016, the Bureau issued the NOV, stating that Pentecostal: (a) failed to clean and repaint the Inspected Antenna Structures as required to maintain good visibility, (b) failed to maintain the required lighting of the Inspected Antenna Structures, and (c) failed to timely notify the FAA of the lighting outage at the tower registered under ASR 1026648. In its NOV Response, Pentecostal Temple explained that it was making arrangements to address the maintenance issues that the Bureau’s agents observed and conceded that it attempted to notify the FAA about the outage at ASR 1026648, only to discover that the Bureau’s agents had already filed a notification. Several months later, agents re-inspected the Inspected Antenna Structures to determine whether Pentecostal Temple had taken corrective action. It had not, and the Bureau then issued the *Notice* proposing a \$25,000 forfeiture.<sup>13</sup>

5. As discussed in greater detail in the *Forfeiture Order*, Pentecostal Temple, through counsel, made several procedurally defective attempts to respond to the *Notice* but ultimately made no substantive rebuttal of the *Notice*’s findings.<sup>14</sup> Accordingly, on July 23, 2019, the Bureau issued the

On August 22, 2019, Pentecostal Temple submitted its Petition seeking reconsideration of the *Forfeiture Order*. To settle this matter, the Bureau and Pentecostal Temple enter into this Consent Decree and agree to the following terms and conditions.

10. **Admission of Liability; Certification.** Pentecostal Temple admits for the purpose of this Consent Decree and for Commission civil enforcement purposes, and in express reliance on the provisions of paragraph 9 herein, that its actions that were the subject of the *Notice* violated the Part 17 Rules. All Covered Employees shall be trained pursuant to the Compliance Training Program within sixty (60) calendar days after the Effective Date, except that any person who becomes a Covered Employee at any time after the initial Compliance Training Program shall be trained within thirty (30) calendar days after the date such person becomes a Covered Employee. Pentecostal Temple shall repeat compliance training on an annual basis and shall periodically review and revise the Compliance Training Program as necessary to ensure that it remains current and complete and to enhance its effectiveness.

13. **Reporting Noncompliance.** Pentecostal Temple shall report any noncompliance with the Part 17 Rules with respect to any Antenna Structure and with the terms and conditions of this Consent Decree within fifteen (15) calendar days after discovery of such noncompliance. Compliance Officer has personal knowledge that Pentecostal Temple: (a) has established and implemented the Compliance Plan; (b) has utilized the Operating Procedures since the implementation of the Compliance Plan; and (c) is not aware of any instances of noncompliance with the terms and conditions of this Consent Decree, including the reporting obligations set forth in paragraph 13 of this Consent Decree.
