### WC Docket No. 19-313

The Wireline Competition Bureau (Bureau) hereby removes the application listed in this Notice from streamlined treatment for interconnected VoIP numbering authorization applications.<sup>1</sup>

Interconnected VoIP Numbering Authorization Application Filed by HDC Alpha, LLC, WC Docket No. 19-313 (October 8, 2019), Public Notice, DA 21-15 (WCB January 6, 2021).

Section 52.15(g)(3)(iii) of the Commission's rules provides that the Bureau may notify an applicant that its application is being removed from streamlined processing if (1) an applicant fails to respond promptly to Commission inquiries; (2) an application is associated with a non-routine request for waiver of the Commission's rules; (3) timely-filed comments on the application raise public interest concerns that require further Commission review; or (4) the Bureau determines that the application requires further analysis to determine whether granting the application serves the public interest.<sup>2</sup> On January 21, 2021, the Commission received comments from AT&T Services, Inc., outlining concerns with the application.<sup>3</sup> These comments raise public interest concerns that require further Commission analysis.<sup>4</sup> Accordingly, this application is removed from streamlined review and final action on this application should be expected after the Commission concludes its review.
