**MEMORANDUM OPINION AND ORDER
AND
NOTICE OF APPARENT LIABILITY FOR FORFEITURE**

Adopted: September 2, 2021

Released: September 2, 2021

By the Chief, Audio Division, Media Bureau:

I. INTRODUCTION

1. The Media Bureau (Bureau) has before it the application (Application)¹ of SCLC Jacksonville Florida (Licensee) for renewal of its license for low-power FM (LPFM) Station WRIA-LP, Jacksonville, Florida (Station). In this *Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture (NAL)*,² we find that the Licensee apparently willfully violated section 73.3539 of the Rules³ by failing to file a timely license renewal application for the Station, and willfully and repeatedly violated section 301 of the Act⁴ by engaging in unauthorized operation of the Station after its authorization had expired. Based upon our review of the record before us, we conclude that Licensee is apparently liable for a monetary forfeiture in the amount of three thousand five hundred dollars (\$3,500).

II. BACKGROUND

2. Section 73.3539(a) of the Rules requires that applications for renewal of license for broadcast stations must be filed “not later than the first day of the fourth full calendar month prior to the expiration date of the license sought to be renewed.”⁵ An application for renewal of the Station’s license should have been filed by October 1, 2019, four months prior to the Station’s license expiration date of February 1, 2020,⁶ but was not. Accordingly, on January 17, 2020, the staff, by Public Notice, notified the Licensee that the Station’s license would expire on February 1, 2020, if no renewal application was filed by that day.⁷ On February 25, 2020, Licensee filed the Application after the Station’s license had

² This *NAL* is issued pursuant to sections 309(k) and 503(b) of the Communications Act of 1934, as amended (Act), and section 1.80 of the FCC’s rules (Rules). *See* 47 U.S.C. §§ 309(k), 503(b); 47 CFR § 1.80. The Bureau has delegated authority to issue the *NAL* under section 0.283 of the Rules. *See* 47 CFR § 0.283.

expired.⁸ The Licensee provides no explanation for the untimely filing of the Application. While Licensee attaches a letter requesting that the Commission accept the late-filed Application without any penalty, Licensee does not assert that it filed the renewal Application on time or seek a waiver of the renewal filing deadline.⁹ Licensee also did not request special temporary authority (STA) to operate the Station following the expiration of the Station's license.

III. DISCUSSION

3. *Proposed Forfeiture.* In this case, Licensee has failed to file a timely license renewal application for the Station as required by section 73.3539(a) of the Rules. Moreover, it continued operating the Station after the license expired on February 1, 2020, without requesting STA, in violation of section 301 of the Act.

4. This *NAL* is issued pursuant to section 503(b)(1)(B) of the Act. Under that provision, a person who is found to have willfully or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.¹⁰ Section 312(f)(1) of the Act defines willful as “the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate” the law.¹¹ The legislative history to section 312(f)(1) of the Act clarifies that this definition of willful applies to both sections 312 and 503(b) of the Act,¹² and the Commission has so interpreted the term in the section 503(b) context.¹³ Section 312(f)(2) of the Act provides that “[t]he term ‘repeated,’ when used with reference to the commission or omission of any act, means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day.”¹⁴

5. The Commission's *Forfeiture Policy Statement* and section 1.80(b)(10) of the Rules establish a base forfeiture amount of \$3,000 for the failure to file a required form.¹⁵ The guidelines also specify a base forfeiture amount of \$10,000 for construction and/or operation without an instrument of authorization for the service.¹⁶ In determining the appropriate forfeiture amount, we may adjust the base amount upward or downward by considering the factors enumerated in section 503(b)(2)(E) of the Act, including “the nature, circumstances, extent and gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require.”¹⁷

6. Based on our review of the facts and circumstances, we tentatively find that a \$7,000 forfeiture is appropriate. Licensee failed to file a timely license renewal application for the Station, continued operating the Station after the license expired on February 1, 2020, and never filed for STA to operate the Station after its license expired. Taking into consideration all of the factors required by

section 503(b)(2)(E) of the Act and the *Forfeiture Policy Statement*, we propose a forfeiture for the full \$3,000 amount for the failure to file a timely renewal application but reduce the proposed forfeiture for the unauthorized operation from the \$10,000 base amount to \$4,000.¹⁸ Accordingly, we tentatively find that, considering the record as a whole, a \$7,000 forfeiture is appropriate for the violations in this case.¹⁹ However, we will reduce the forfeiture from the base amount to \$1,500 for the failure to file a timely license renewal application and to \$2,000 for unauthorized operations, for a total of \$3,500, because, as an LPFM station, the Station is providing a secondary service.²⁰

7. *License Renewal Application.* In evaluating an application for license renewal, the Commission's decision is governed by section 309(k) of the Act.²¹ That section provides that if, upon consideration of the application and pleadings, we find that (1) the station has served the public interest, convenience, and necessity; (2) there have been no serious violations of the Act or the Rules; and (3) there have been no other violations which, taken together, constitute a pattern of abuse, we are to grant the renewal application.²² If, however, the licensee fails to meet that standard, the Commission may deny the application—after notice and opportunity for a hearing under section 309(e) of the Act—or grant the application “on terms and conditions that are appropriate, including a renewal for a term less than the maximum otherwise permitted.”²³

8. We find that Licensee's apparent violation of section 73.3539 of the Rules and section 301 of the Act do not present “serious violations” warranting designation for evidentiary hearing. Moreover, we find no evidence of violations that, when considered together, constitute a pattern of abuse.²⁴ Further, based on our review of the Application, we find that the Station served the public interest, convenience, and necessity during the subject license term. We will therefore grant the Application by separate action upon the conclusion of this forfeiture proceeding if there are no issues other than the apparent violation that would preclude grant of the Application.

IV. ORDERING CLAUSES

9. Accordingly, **IT IS ORDERED**, pursuant to section 503(b) of the Communications Act of 1934, as amended, and section 1.80 of the Commission's rules,²⁵ that SCLC Jacksonville Florida is hereby **NOTIFIED** of its **APPARENT LIABILITY FOR FORFEITURE** in the amount of three

²⁰ See, e.g., *Virginia Center for Public Press*, Memorandum Opinion and Order and Notice of Apparent Liability, 34 FCC Rcd 9312 (MB 2019) (reducing \$3,000 base forfeiture to \$1,500 for untimely filed renewal application for LPFM station); *Lighthouse Ministries of Northwest Ohio*, Memorandum Opinion and Order and Notice of Apparent Liability, DA 21-275 (MB Mar. 8, 2021) (proposing \$3,500 forfeiture for untimely fined renewal application and unauthorized operation of LPFM station).

²⁴ For example, we do not find here that Licensee's operation of the Station “was conducted in an exceedingly careless, inept and negligent manner and that the licensee is either incapable of correcting or unwilling to correct the operating deficiencies.” See *Heart of the Black Hills Stations*, Decision, 32 FCC 2d 196, 198, para. 6 (1971). Nor do we find on the record here that “the number, nature and extent” of the violations indicate that “the licensee cannot be relied upon to operate [the Station] in the future in accordance with the requirements of its licenses and the Commission's Rules.” *Id.* at 200. Any claim of inability to pay must specifically identify the basis for the claim by reference to the financial documentation submitted.
