Dear Licensee:

This letter is in reference to the license renewal application (Application) for KLMB-CD, El Dorado, AR (Station), which is licensed to Kingdom Broadcasting, Inc. (Licensee).<sup>1</sup> We hereby admonish the Station for its violation of section 73.3526(e)(11)(i) of the Commission's rules (Rules).<sup>2</sup>

Section 73.3526(e)(11)(i) of the Rules requires every commercial television licensee to place in its Online Public Inspection File (OPIF), on a quarterly basis, a TV issues/programs list that details programs that have provided the station's most significant treatment of community issues during the preceding three month period and must include a brief narrative of the issues addressed, as well as the time, date, duration, and title of each program in which the issues were treated.<sup>3</sup> TV issues/programs lists must be placed in the station's OPIF by the tenth day of the succeeding calendar quarter and copies must be retained until final action on the station's next license renewal application.<sup>4</sup>

On January 22, 2021, the Licensee filed its Application. A staff inspection of the Station's OPIF revealed that the Licensee uploaded certain copies of its TV issues/programs lists after the deadline established in section 73.3526(e)(11)(i).<sup>5</sup> Specifically, it uploaded 17 lists between one day and one month late and one between one month and one year late. This constitutes a violation of section 73.3526(e)(11)(i) of the Rules.

While we do not rule out more severe sanctions for similar violations of this nature in the future, we have determined that an admonition is appropriate at this time. Therefore, based upon the facts and circumstances before us, we **ADMONISH** the Station for its violation of section 73.3526(e)(11)(i) of the

Rules.<sup>6</sup> We remind the Licensee that the Commission expects all licensees to comply with the Commission's public inspection file rules.

In evaluating an application for license renewal, the Commission's decision is governed by section 309(k) of the Communications Act of 1934, as amended (Act).<sup>7</sup> That section provides that if, upon consideration of the application and pleadings, we find that: (1) the station has served the public interest, convenience, and necessity; (2) there have been no serious violations of the Act or the Rules; and (3) there have been no other violations which, taken together, constitute a pattern of abuse, we are to grant the renewal application.<sup>8</sup> If, however, the licensee fails to meet that standard, the Commission may deny the application—after notice and opportunity for a hearing under section 309(e) of the Act—or grant the application “on terms and conditions as are appropriate, including renewal for a term less than the maximum otherwise permitted.”<sup>9</sup> We find that the Licensee's apparent violation of section 73.3526(e)(11)(i) of the Rules does not constitute a “serious violation” warranting designation of the Application for evidentiary hearing. Moreover, we find no evidence of violations that, when considered together, constitute a pattern of abuse. Further, based on our review of the Application, we find that the Station served the public interest, convenience, and necessity during the subject license term.

Accordingly, **IT IS ORDERED** that, the application for renewal of license of KLMB-CD, El Dorado, AR, **IS GRANTED**. **IT IS FURTHER ORDERED**, that copies of this Letter shall be sent, by First Class and Certified Mail, Return Receipt Requested, to Kingdom Broadcasting Inc., c/o Duane Amis 923 East Hillsboro, El Dorado, AR 71730 and to its technical consultant, Joseph Holland, RBN, Inc., P.O. Box 370, Start, LA 71279.

Sincerely,

/s/
