MB Docket No. 20-343

The Media Bureau (Bureau) reminds applicants of the upcoming filing window for applications for noncommercial educational (NCE) FM new station construction permits. As previously announced, the window will open at 12:01 am EDT on Tuesday, November 2, 2021, and close at 6:00 pm EST on Tuesday, November 9, 2021.<sup>1</sup> The window is available for FM reserved band (channels 201 –220) proposals.<sup>2</sup> All new NCE FM applications must be filed electronically on FCC Form 2100, Schedule 340 in the Bureau’s Licensing and Management System (LMS). Applicants should select the application titled “New NCE FM Construction Permit Application” in LMS.

The 6:00 pm EST November 9, 2021, application deadline (Application Deadline) will be strictly enforced. Applications submitted before November 2, 2021, or after the 6:00 pm EST November 9, 2021, Application Deadline will be dismissed by public notice without further consideration. We, therefore, once again, encourage applicants to file early in the window to ensure proper and timely submission.

We remind applicants that in conjunction with this filing window, the Commission will not accept FM reserved band minor change applications or FM non-reserved band adjacent channels (channels 221 –223) and intermediate frequency (IF) (channels 254-274) minor change applications after 11:59 p.m. EDT, October 4, 2021.
