**DOMESTIC SECTION 214 APPLICATION FILED FOR THE  
TRANSFER OF CONTROL OF  
IPC NETWORK SERVICES, INC.  
FROM CCP II FINCO, LLC TO HUMMINGBIRD CIRCLE, LLC**

**NON-STREAMLINED PLEADING CYCLE ESTABLISHED**

**WC Docket No. 21-436**

**Comments Due: December 8, 2021**  
**Reply Comment Due: December 15, 2021**

By this Public Notice, the Wireline Competition Bureau (Bureau) seeks comment from interested parties on an application filed by CCP II Finco, LLC (CCP II Finco), Hummingbird Circle, LLC (Hummingbird Circle), Strategic Value Partners, LLC (SVP), and IPC Corp. (together, Applicants), pursuant to section 214 of the Communications Act of 1934, as amended, and sections 63.03-04 of the Commission's rules, requesting consent to transfer control of IPC Network Services, Inc. (IPC Network Services) from CCP II Finco to Hummingbird Circle.<sup>1</sup>

IPC Network Services, a New York corporation, is a subsidiary of IPC Corp., a Delaware corporation (IPC Network Service, its affiliate, IPC Systems, together with IPC Corp, IPC).<sup>2</sup> IPC Network Services is authorized to provide competitive telecommunications services in Arizona, California, Colorado, Connecticut, Delaware, the District of Columbia, Florida, Georgia, Illinois, Indiana, Massachusetts, Maryland, Michigan, Minnesota, Missouri, Montana, New Hampshire, North Carolina, New Jersey, New Mexico, Nevada, New York, Ohio, Oklahoma, Oregon, Pennsylvania, South Carolina, Tennessee, Texas, Virginia, Washington, and Wisconsin.<sup>3</sup>

IPC Parent Holdings, LLC (IPC LLC), a Delaware limited liability company, is currently the indirect parent of IPC Corp. CCP II Finco, a Delaware limited liability company that is ultimately controlled by Jeffrey Aronson, a U.S. citizen, and is affiliated with Centerbridge Partners, L.P., an investment management firm,<sup>4</sup> currently holds approximately 53% of the voting and

<sup>1</sup> See 47 U.S.C. § 214; 47 CFR §§ 63.03-04. Joint Application for Consent to Transfer Control of IPC Systems, Inc., and IPC Network Services, Inc., Pursuant to Section 214 of the Communications Act of 1934, As Amended, WC Docket No. 21-436 (filed Nov. 5, 2021) (Application). Applicants also filed an application for the transfer of control of IPC Systems, Inc. (IPC Systems) and its authorizations associated with international services. See ITC-T/C-20211105-00179. Any action on this domestic section 214 application is without prejudice to Commission action on other related, pending applications.

<sup>3</sup> Application at 20. IPC Systems holds international section 214 authority, and Applicants state that together with their parent company, IPC Corp., IPC Systems and IPC Network Services primarily provide 'specialized technology solutions and maintenance to financial institutions and global enterprises: as a component of these services, certain resold point-to-point private line or IP-based point-to-point connectivity is provided.' *Id.* at 4.

economic interest in IPC LLC and indirect control of IPC Network Services.<sup>5</sup> Applicants state that CCP II Finco does not provide telecommunications services.<sup>6</sup>

Hummingbird Circle, a Delaware limited liability company, has been established as a special purpose acquisition vehicle for purposes of the proposed transaction.<sup>7</sup> Applicants state that, at closing, Hummingbird Circle will be controlled by certain funds and accounts managed by SVP, an investment entity.<sup>8</sup> Victor Khosla, a U.S. citizen, will hold a controlling aggregate 60% indirect voting and equity interest in IPC Network Services thru various intermediate U.S., Cayman Islands, and Netherlands holding companies.<sup>9</sup> According to Applicants, neither Hummingbird Circle, the funds owning Hummingbird Circle, SVP, or SVP's portfolio of companies provide telecommunications services.<sup>10</sup>

Pursuant to the terms of the proposed transaction, CCP II Finco and Hummingbird Circle are parties to a two-step restructuring agreement.<sup>11</sup> In the first step, Applicants state that they completed a *pro forma* transaction on October 1, 2021, under which they refinanced IPC's first lien debt, injected \$125 million of new capital into IPC, and converted IPC's existing second lien debt into reorganized equity and a new convertible note (Note).<sup>12</sup> As a result, CCP II Finco currently holds approximately 53% of the equity and voting rights of IPC LLC, and Hummingbird Circle holds the remaining approximate 47% and the Note.<sup>13</sup> In the second step, which Applicants are pursuing through the Application, Hummingbird Circle seeks to convert the Note into equity, which, when combined with the equity Hummingbird Circle currently holds, will result in Hummingbird Circle holding a 60% interest in IPC LLC, which will in turn provide it with indirect control of IPC Network Services.<sup>14</sup> CCP II Finco will hold the remaining 40% interest in IPC LLC.<sup>15</sup>

Applicants assert that a grant of the Application would serve the public interest, convenience, and necessity.<sup>16</sup> Applicants state that the proposed transaction will not result in a loss of a competitive provider and will not adversely affect customers because “customers will continue to receive the same services under the same rates, terms, and conditions – and under the same IPC brand name as existed prior to the proposed transaction’s close.”<sup>17</sup> Applicants further state that the transaction will: (1) “inject much needed capital, which is necessary to ensure the continued operations of IPC and the uninterrupted provision of service” to IPC Network Services’ existing customers; (2) “further reduce IPC’s outstanding debt obligations”; (3) create a “more financially sound company that has increased flexibility and a more competitive position”; and (4) expand services to more customers.<sup>18</sup>

In light of the multiple applications pending before the Commission with respect to this transaction and the public interest review associated with them, we accept the Application for non-streamlined processing.<sup>19</sup>

Referral to Executive Branch Agencies. Through this Public Notice, pursuant to Commission practice, the Application and the associated international application, ITC-T/C-20211105-00179, are being referred to the relevant Executive Branch agencies for their views on any national security, law enforcement, foreign policy, or trade policy concerns related to the foreign ownership of the Applicants.<sup>20</sup>
