MEMORANDUM OPINION AND ORDER
AND
NOTICE OF APPARENT LIABILITY FOR FORFEITURE

Adopted: December 2, 2021

Released: December 2, 2021

By the Chief, Audio Division, Media Bureau:

I. INTRODUCTION

1. The Commission has before it the late-filed Form 2100, Schedule 301 application of ScarboroughRadio, LLC (Scarborough), for a new FM broadcast construction permit at Hugo, Colorado. In this Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture (NAL), we find that Scarborough apparently willfully violated sections 73.3573(f)(5)(i) and 73.5005(a) of the Commission's rules by failing to timely file a post-auction Form 2100, Schedule 301 application. Based upon our review of the facts and circumstances before us, we conclude that Scarborough is apparently liable for a monetary forfeiture in the amount of three thousand dollars (\$3,000). We also grant Scarborough a waiver of the long-form filing deadline and accept its application for filing.

II. BACKGROUND

2. On February 8, 2021, the Media Bureau and the Office of Economics and Analytics jointly released a Public Notice announcing a July 27, 2021, auction of AM and FM broadcast construction permits, Auction 109. Scarborough timely filed a FCC Form 175 application to participate in Auction 109, and was found to be a qualified bidder. By an August 12, 2021, Public Notice, the Bureaus announced that Scarborough was the winning bidder in Auction 109 for the FM construction permit at Hugo, Colorado. Winning bidders were to file a post-auction FCC Form 2100, Schedule 301

1 This NAL is issued pursuant to Section 503(b) of the Communications Act of 1934, as amended (Act), and Section 1.80 of the Commission's rules. See 47 U.S.C. § 503(b); 47 CFR § 1.80. The Bureau has delegated authority to issue the NAL under Section 0.283 of the rules. See 47 CFR § 0.283.

2 See 47 CFR §§ 73.3573(f)(5)(i), 73.5005(a).

long-form application by September 13, 2021. The *Auction 109 Closing Public Notice* cautioned that “[a] winning bidder that fails to submit the required long-form application before the specified deadline, and fails to establish good cause for any late-filed submission, shall be deemed to have defaulted and shall be subject to the payments set forth in section 1.2104(g) of the Commission’s rules.”⁶ Scarborough failed timely to submit a post-auction Form 2100, Schedule 301 application. Its Form 2100, Schedule 301 application (Application) was submitted on September 30, 2021. Scarborough did not request a waiver of sections 73.3573(f)(5)(i) and 73.5005(a) of the rules, or of the *Auction 109 Closing Public Notice*.⁷

III. DISCUSSION

3. *Waiver.* Ordinarily, a winning bidder that fails to timely file the required long-form application is deemed to have defaulted, its application is dismissed, and it is subject to the default payment set forth in section 1.2104(g) of the rules.⁸ However, the Commission may, for good cause, determine that a late-filed long-form application should be accepted.⁹ A waiver is appropriate only if special circumstances warrant a deviation from the general rule and such deviation will serve the public interest.¹⁰

4. The Commission has previously determined that an applicant has established good cause for a late-filed post-auction long-form application submission when minor, inadvertent, post-auction delinquencies did not disrupt the auction process, nor undermined the Commission’s policy of facilitating rapid implementation of service to the public.¹¹ We find that, notwithstanding its lack of a waiver request, Scarborough has met the standard for waiver of the application filing deadline applied in other, similar cases.¹² The record indicates that, prior to its late filing of the Form 2100, Schedule 301 application, Scarborough had complied with all previous Auction 109 requirements, including all filing and payment obligations, and was found to be a qualified bidder. While Scarborough did not discuss a filing deadline waiver with the staff prior to submitting its late-filed Application, the fact that it filed the Application shortly after making its rule-compliant late payment of the balance of its auction bid evidences a lack of

⁷ 47 CFR §§ 73.3573(f)(5)(i), 73.5005(a). These Sections require a winning bidder to file its long-form application within 30 days of the release of the public notice announcing the close of the auction, unless a longer period is specified in that closing public notice.

Tesiero*, Memorandum Opinion and Order and Notice of Apparent Liability for Forfeiture, DA 12-1004 (MB rel. bad faith on its part.¹³ Furthermore, in reaching the conclusion to waive the filing deadline, we give considerable weight to Scarborough's record of prior compliance with auction-related requirements.

5. We also recognize that the FM licensing process was not significantly delayed nor materially adversely affected by Scarborough's late filing of the Application here. Accepting Scarborough's Form 2100, Schedule 301 application would not undermine the Commission's broadcast auction policies. Thus, flexibility is appropriate in this instance. We find it in the public interest to avoid a delay in implementing new service to Hugo, Colorado, by having to re-auction the FM construction permit, and therefore on our own motion grant a waiver as discussed below. Although we grant Scarborough a waiver of the rules that would otherwise require dismissal of its late-filed long-form application, and associated imposition of a default payment, we nonetheless find that it apparently failed to comply with the rules requiring timely submission of the post-auction Form 2100, Schedule 301 application. We will therefore grant the Application by separate action upon the conclusion of the forfeiture proceeding discussed below, if there are no issues other than the apparent violation that would preclude grant of the Application.

6. *Proposed Forfeiture.* In this case, Scarborough failed to timely file a post-auction Form 2100, Schedule 301 application, as required by sections 73.3573(f)(5)(i) and 73.5005(a) of the rules.

7. This *NAL* is issued pursuant to section 503(b)(1)(B) of the Act. Under that provision, any person who is determined by the Commission to have willfully or repeatedly failed to comply with any provision of the Act or any rule, regulation, or order issued by the Commission shall be liable to the United States for a forfeiture penalty.¹⁴ Section 312(f)(1) of the Act defines willful as "the conscious and deliberate commission or omission of [any] act, irrespective of any intent to violate" the law.¹⁵ The legislative history to section 312(f)(1) of the Act clarifies that this definition of willful applies to both sections 312 and 503(b) of the Act,¹⁶ and the Commission has so interpreted the term in the section 503(b) context.¹⁷

8. The Commission's *Forfeiture Policy Statement* and section 1.80(b)(10) of the Rules establish a base forfeiture amount of \$3,000 for the failure to file a required form.¹⁸ In determining the appropriate forfeiture amount, we must consider the factors enumerated in section 503(b)(2)(D) of the Act, including "the nature, circumstances, extent and gravity of the violation, and, with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and such other matters as justice may require."¹⁹

9. In this case, Scarborough was on notice that it was responsible for timely submitting its post-auction Form 2100, Schedule 301 application, but failed timely to file its application. We also note that Scarborough neglected to request a waiver of the filing deadline, and did not provide an explanation for the tardy filing. Taking into consideration these facts and the factors required by section 503(b)(2)(D) of the Act and the *Forfeiture Policy Statement*, we propose a forfeiture in the full base amount of \$3,000.
