## II. BACKGROUND

4. *Legal Framework.* The Lifeline program was established in 1985 to ensure that low-income consumers had access to affordable, landline telephone service.<sup>4</sup> In 2008, the Commission

---

<sup>3</sup> See 47 CFR § 54.701.

<sup>4</sup> See *MTS and WATS Market Structure and Amendment of Parts 67 & 69 of the Commission’s Rules and Establishment of a Joint Board*, Report and Order, 50 Fed. Reg. 939 (Jan. 8, 1985).

expanded the program to allow participation by non-facilities-based providers.<sup>5</sup> Today, the Lifeline program has significantly grown to include discounts on voice or broadband Internet access services, as well as bundled service, to qualifying low-income consumers, ensuring that all Americans can take advantage of the benefits that voice and broadband Internet access service bring, including being able to connect to jobs, family, education, health care providers, and emergency services.<sup>6</sup>

5. Pursuant to the Act, in order to participate in the Lifeline program and receive federal universal service support for providing Lifeline service, a service provider must be designated as an ETC by either a state commission or the FCC if the ETC is not subject to the state commission's jurisdiction.<sup>7</sup> Once designated, an ETC may receive federal Lifeline support in the applicable amount of support per month, per subscriber.<sup>8</sup> ETCs are required to pass these discounts along to eligible low-income consumers.<sup>9</sup> Pursuant to section 54.407 of the Commission's rules, in order to receive reimbursement for offering Lifeline, among other things, an ETC must certify "as part of each request for reimbursement that . . . [it] is in compliance with all of the [Commission's] rules"<sup>10</sup> for the program.

6. The Commission's Lifeline rules establish specific requirements that ETCs must fulfill in order to claim and receive federal Lifeline support.<sup>11</sup> Section 54.407(a) of the Commission's rules states that Lifeline support shall be paid to an ETC "based on the number of actual qualifying low-income customers listed in the National Lifeline Accountability Database that the eligible telecommunications carrier serves directly as of the first of the month."<sup>12</sup> The key tenets of the rules prescribing which customers can be claimed by ETCs for discounted Lifeline service are: (1) disbursements of Lifeline support can only be based on the number of "actual qualifying low-income consumers" served by an ETC as that term is defined in Commission rules,<sup>13</sup> (2) such qualifying low-income consumers must be served directly by the ETC as of the first day of the month, and (3) such consumers must have been determined to be eligible.<sup>14</sup>

<sup>6</sup> See 47 CFR § 54.401(a) ("Lifeline means a non-transferable retail service offering . . . [t]hat provides qualifying low-income consumers with [reduced price] voice telephony service or broadband Internet access service. . . ."); 47 CFR § 54.401(b) (permitting Lifeline discounts to be applied to bundled services).

<sup>7</sup> 47 U.S.C. § 254(e) ("[O]nly an eligible telecommunications carrier designated under section 214(e) . . . shall be eligible to receive specific Federal universal service support.").

<sup>8</sup> 47 CFR § 54.403(a). An ETC providing voice service with broadband meeting the applicable minimum standards may claim \$9.25 per month, and it may receive up to an additional \$25 per month if the qualifying low-income consumer resides on Tribal lands. See 47 CFR §§ 54.403(a), 54.408.

<sup>9</sup> See 47 CFR § 54.403(a); *Lifeline and Link Up Reform and Modernization*, WC Docket No. 11-42, Report and Order, 27 FCC Rcd at 6681, para. 53 (2012) (*2012 Lifeline Reform Order*).

<sup>10</sup> 47 CFR § 54.407(d).

<sup>11</sup> See 47 CFR §§ 54.400 – 54.422.

<sup>12</sup> 47 CFR § 54.407(a).

<sup>13</sup> *Id.*; see also 47 CFR §§ 54.409 (establishing the criteria to constitute a "qualifying low-income consumer"); 54.410(b)–(c) (establishing procedural requirements for determining whether a consumer is a qualifying low-income consumer).

<sup>14</sup> 47 CFR §§ 54.400(a), 54.407(a), 54.409.

7. The Commission’s rules strictly prohibit an ETC from seeking reimbursement for a subscriber unless the ETC has confirmed that subscriber’s eligibility to receive Lifeline service.<sup>15</sup> ETCs are required to “implement policies and procedures for ensuring that their Lifeline subscribers are eligible to receive Lifeline services.”<sup>16</sup> In particular, ETCs must confirm that a consumer is an actual “qualifying low-income consumer” meeting the eligibility criteria set forth in the Commission’s rules.<sup>17</sup> Section 54.409 requires Lifeline subscribers to meet certain income-based criteria.<sup>18</sup> In addition, the consumer “must not already be receiving a Lifeline service” and cannot receive more than one Lifeline-supported service at a time, either individually or within a group of individuals who live together at the same address as one economic unit (defined in the Commission’s rules as a “household”).<sup>19</sup> In other words, the Commission’s rules prohibit a consumer from receiving duplicate support.<sup>20</sup> Moreover, pursuant to section 54.410(d) of the Commission’s rules, ETCs must ensure that a prospective subscriber has certified his/her eligibility to receive Lifeline service.<sup>21</sup>

8. USAC is the administrator of the federal universal service programs, including Lifeline.<sup>22</sup> As the administrator, USAC collects and distributes universal service funds. In the 2012 *Lifeline Reform Order*, the Commission established the National Lifeline Accountability Database (NLAD), a system used by USAC to receive and process subscriber data and prevent ETCs from enrolling a new subscriber without first confirming that the subscriber or someone in the subscriber’s household does not already receive Lifeline service.<sup>23</sup> In late 2019, the Commission began launching the National Lifeline Eligibility Verifier in a phased introduction in states and territories.<sup>24</sup> Beginning on January 22, 2020, the

Commission required Lifeline ETCs in Louisiana to begin using the National Verifier's eligibility determination process for all consumers applying for Lifeline service.<sup>25</sup>

9. *Factual Background.* NewPhone is a Louisiana limited liability company headquartered in Houston, Texas.<sup>26</sup> The Company has resold mobile wireless Lifeline service since 2012 exclusively in Louisiana.<sup>27</sup> USAC referred this matter to the Bureau on August 25, 2020, concerning NewPhone's apparent claims for ineligible Lifeline subscribers between August 2018 and June 2020, with a majority of the claims occurring in 2020. The claims appeared to involve duplicate or otherwise ineligible accounts that used beneficiary data from other existing Lifeline customers.

10. On September 23, 2020 the Bureau issued NewPhone an LOI to obtain information about the claims.<sup>28</sup> NewPhone filed its response to the LOI on November 23, 2021.<sup>29</sup> Within weeks after USAC notified NewPhone of the apparently improper use of beneficiary data, the Company terminated its relationship with the Marketing Agents involved in the enrollments.<sup>30</sup> USAC worked with NewPhone from early August through October 2020 to address the issues raised by the claims.<sup>31</sup> On October 30, 2020, NewPhone submitted revised claims which USAC agreed addressed the full amount at issue in its investigation. Because USAC determined NewPhone had promptly submitted revised claims in the full amount USAC sought, there was no need to issue a recovery letter. NewPhone and the Bureau enter into this Consent Decree and agree to the following terms and conditions.

21. **Event of Default.** NewPhone agrees that an Event of Default shall occur upon the failure by NewPhone to pay the full amount of the Settlement Payment on or before the due date specified in this Consent Decree.

22. **Interest, Charges for Collection, and Acceleration of Maturity Date.** After an Event of Default has occurred under this Consent Decree, the then unpaid amount of the Settlement Payment shall accrue interest, computed using the U.S. Prime Rate in effect on the date of the Event of Default plus 4.75%, from the date of the Event of Default until payment in full. Upon an Event of Default, the then unpaid amount of the Settlement Payment, together with interest, any penalties permitted and/or required by the law, including but not limited to 31 U.S.C. § 3717 and administrative charges, plus the costs of collection, litigation, and attorneys' fees, shall become immediately due and payable, without notice, presentment, demand, protest, or notice of protest of any kind, all of which are waived by NewPhone.

23. **Waivers.** As of the Effective Date, NewPhone waives any and all rights it may have to seek administrative or judicial reconsideration, review, appeal or stay, or to otherwise challenge or contest the validity of this Consent Decree and the Adopting Order. NewPhone shall retain the right to challenge Commission interpretation of the Consent Decree or any terms contained herein. If either Party (or the United States on behalf of the Commission) brings a judicial action to enforce the terms of the Consent Decree or the Adopting Order, neither NewPhone nor the Commission shall contest the validity of the Consent Decree or the Adopting Order, and NewPhone shall waive any statutory right to a trial *de novo*. NewPhone hereby agrees to waive any claims it may otherwise have under the Equal Access to Justice Act<sup>39</sup> relating to the matters addressed in this Consent Decree.

24. **Severability.** The Parties agree that if any of the provisions of the Consent Decree shall be held unenforceable by any court of competent jurisdiction, such unenforceability shall not render unenforceable the entire Consent Decree, but rather the entire Consent Decree shall be construed as if not containing the particular unenforceable provision or provisions, and the rights and obligations of the Parties shall be construed and enforced accordingly.

25. **Invalidity.** In the event that this Consent Decree in its entirety is rendered invalid by any court of competent jurisdiction, it shall become null and void and may not be used in any manner in any legal proceeding.

26. **Subsequent Rule or Order.** The Parties agree that if any provision of the Consent Decree conflicts with any subsequent Rule or order adopted by the Commission (except an order specifically intended to revise the terms of this Consent Decree to which NewPhone does not expressly consent) that provision will be superseded by such Rule or order.

27. **Successors and Assigns.** NewPhone agrees that the provisions of this Consent Decree shall be binding on its successors, assigns, and transferees.

28. **Final Settlement.** The Parties agree and acknowledge that this Consent Decree shall constitute a final settlement between the Parties with respect to the Investigation. The Parties further agree that this Consent Decree does not constitute either an adjudication on the merits or a factual or legal finding regarding any compliance or noncompliance with the requirements of the Communications Laws. This Consent Decree shall not be used as evidence or precedent in any action or proceeding, except an action to enforce this Consent Decree.

31. **Authorized Representative.** Each Party represents and warrants to the other that it has full power and authority to enter into this Consent Decree. Each person signing this Consent Decree on behalf of a Party hereby represents that he or she is fully authorized by the Party to execute this Consent Decree and to bind the Party to its terms and conditions.
